# Welcome to the 2013 Junior Workbook!

**What is the purpose of this book?**

This workbook will help you begin studying the life of Moses so that you understand the basic story. This will prepare you for your classes during the week of Kids Camp!

**What if I don't understand something?**

Don't worry, no one can understand everything their first time through!

Remember, the goal is to learn. Try rereading the passage or using another version of the Bible. If you are still stuck, ask your parents or aunts & uncles!

**What do I do when I'm finished?**

When you are finished, go back and make sure everything is written neatly & answered thoroughly. Once you are sure you have done your best work, have your parents sign the cover.

Don't forget to bring your workbook to camp and turn it into your counselor. There will be a prize awarded at camp for the best workbook!

## Gather Your Resources!

### The King James Version of the Bible

You may find it helpful to have other versions available as well!

### Strong's Concordance

(This one can be a bit tricky to use so be sure to follow these steps & ask for help!)

1. Look up the word in the main concordance (the front section) just like you would in a regular dictionary.
2. Use the location of the word in the Bible to link it up to the Strong's number in the main concordance.
3. Use the number to look up the reference in the Hebrew dictionary which is found behind the main concordance.
4. You may also search for where the words are found by looking up the word in the main concordance and looking at all the different occurrences!

### Bible Dictionary

Use this just like a regular dictionary or encyclopedia. All you have to do is look up the subject - everything is listed in alphabetical order!

### Dictionary of Biblical Similitudes

### The Miraculous Significance of Numbers & Colors as They Appear in the Holy Scriptures, by M.D. Stewart

# Before You Begin...

## Plan!

You should be able to complete the workbook with time to spare by working on it for about 20 minutes per day.

To figure out how many pages to do per day, divide the number of pages in the book by the number of days before camp.

# of pages in the book -----  
# of days before camp -----  
Line 1 ÷ Line 2 -----

Don't forget to allow yourself time to work on your project as well!

## Set Goals!

\*Use the goal chart on the next page to help you stay on track.

\*Fill in the chart using the guidelines above to help you set a weekly goal for how much you need and want to accomplish.

\*Review your goals with your parents each week.

\*Don't forget, you **MUST** complete the workbook before you come to camp so don't procrastinate!

## Helpful Hints!

\*Don't forget to pray to God before you begin, asking for an open mind and heart so that you can understand what you are studying.

\*Use a **PENCIL** so that it is easier to correct mistakes.

\*Read, Re-read & ask questions so that you understand the passage.

\*Read everything in the workbook. Some questions may be easier to answer if you have read the information given to you in the book.

\*Ask someone if you get stuck. You can always call or e-mail us (Uncle Jonathan & Aunt Tiffany Wisniewski) if you need to. You can reach us at [tiffanywisniewski@gmail.com](mailto:tiffanywisniewski@gmail.com) or (805) 732-7078. Make sure you let us know you are calling about the workbook and don't forget to leave a call back number when you leave a message!

# Goal Chart

**Use this chart to set your goals and track your progress.**

# Junior Project!

All of the Junior Kids Camp student are required to complete an individual project that will be turned into your counselor when you arrive at camp so that it can be displayed in the Main Hall.

Create a diorama of your favorite event in Moses' life.

Some examples are:

## Some Final Tips!

It's always best to have an organized method to doing any kind of study. We suggest starting with a prayer and using the following symbols as a guide to your study!

Read the passage completely, without stopping.

Learn the passage by carefully reading it in small sections.

Most of the questions in this workbook can be answered by following the first two steps. However, some will require a little more work!

**Look into It!**  
Investigate what you have read by looking up the meanings of names and places as well as other instances in the Bible that may help you understand what you have read.

**Mark it!**  
This means to mark something in your Bible so that you can remember it later! You will be given all the information - all you need to do is to copy it into your Bible using your Bible marking tools!

**Think About It!**  
These questions require some extra thought about the passage to help you find the lessons that God is trying to teach us through the characters in the story.

Yahweh's ultimate purpose for all people is that they come to the knowledge that He is the LORD. This theme is prevalent throughout the Bible because it is only through this that all the earth will be filled with the knowledge of the glory of Yahweh (Hab. 2:14). It is for this same reason that Yahweh sent the 10 plagues on Egypt.

157.What would the Egyptians know when this happened?

The 1st plague of turning the water of the Nile to blood shows the weakness of Egypt's Nile god, Hapi. The Nile was supposed to provide life to the Egyptians, but with the power of God, it would only provide death. Wonderfully, although the magicians of Egypt could do the same thing, we find out in chapter 8 that only Moses & Aaron, by the hand of Yahweh, could turn the Nile back into a source of life. This first miracle contrasts the first miracle of Jesus - turning water into wine.

The plague upon the cattle had no affect on Pharaoh, therefore, it was now necessary to afflict the people directly. This plague also affected the magicians because they could not come before Pharaoh due to the boils that were upon them.

The previous two plagues affected man & beast separately. The plague of hail affected everyone who would remain disobedient to Yahweh by staying in the field instead of finding cover in their homes.

It is wonderful to see how the Passover points forward to the sacrifice of our Lord Jesus Christ. Like the children of Israel, our hearts must be circumcised through the cutting off of the flesh (Rom. 2:25-29, Col. 2:9-15), symbolized in baptism. This must happen for us to partake in the memorial meal, which provides the covering for our sins, allowing us an opportunity for eternal life.

Only the circumcised servants who were bought with money were allowed to partake of the Passover meal. This showed their dedication to their master, in that they also desired to cut off the flesh, departing from its way, in order to follow Yahweh.
