THE MESSAGE OF REVELATION IS DIFFICULT TO UNDERSTAND FOR ANYONE WHO READS IT FOR THE FIRST TIME. THE BOOK IS PRESENTED IN SUCH A WAY THAT ITS MESSAGE SEEMS HIDDEN, AND IT CAN FEEL DIFFICULT TO UNLOCK. THE BOOK OF REVELATION IS DIFFERENT THAN ALL THE OTHER BOOKS OF THE BIBLE. THIS DIFFERENCE IS IN THE FACT THAT THE BOOK IS WRITTEN IN A SPECIAL LANGUAGE THAT THE READER MUST WORK TO UNDERSTAND. WITHOUT STUDY AND CLOSE EXAMINATION THE BOOK MAY SEEM OVERWHELMING. THE KEY TO UNDERSTANDING REVELATION IS THE UNDERSTANDING OF THE USE OF SYMBOLISM THROUGHOUT THE TEXT. THE APOSTLE JOHN DESCRIBED WHAT HE SAW, AND WHAT WAS REVEALED TO HIM, BUT DID NOT ALWAYS EXPLAIN WHAT THE VISIONS HE SAW MEANT. IT IS INCUMBENT UPON US TO SEARCH OUT THESE THINGS AS BIBLE STUDENTS WHO WANT TO HAVE A TRUE UNDERSTANDING OF THE SCRIPTURES. THROUGHOUT REVELATION THERE ARE VISIONS OF ANGELS, BEASTS, LIVING CREATURES, HORSEMEN, LARGE ARMIES, RAINBOWS, STARS, THUNDERS, LIGHTNING, AND EARTHQUAKES. THIS WORKBOOK IS DESIGNED TO GUIDE YOU THROUGH THE BOOK OF REVELATION TO GIVE YOU A GREATER UNDERSTANDING OF THE BEAUTIFUL MESSAGE LAID OUT FOR US IN IT. THIS WORKBOOK IS NOT AT ALL EXHAUSTIVE, HOWEVER ONCE COMPLETED THE INFORMATION AND KNOWLEDGE ATTAINED FROM THE EFFORT YOU PUT FORWARD WILL MAKE YOUR WEEK AT KIDS CAMP MUCH MORE REWARDING. TAKE THE TIME TO EXPLORE THE QUESTIONS ASKED, DIG DEEPER, FIND OUT WHY THINGS ARE SAID. THE MORE EFFORT THAT IS PUT INTO THIS PRE-STUDY THE GREATER YOUR UNDERSTANDING WILL BE. IN THE END YOU WILL WALK AWAY WITH A GREATER UNDERSTANDING OF THE THINGS THAT YAHWEH HAS PUT IN TO MOTION OVER THE COURSE OF HISTORY TO LEAD US TO THE DAY WHEN HIS KINGDOM WILL BE ESTABLISHED ON THE EARTH, AND FILLED WITH HIS GLORY. THROUGHOUT THIS WORKBOOK YOU WILL BE ASKED TO FIND THE MEANING OF WORDS ALONG WITH THE WORDS SYMBOLIC MEANING. DUE TO THE NATURE OF THE VISIONS, YOU MAY BE ASKED TO EXPLAIN A SYMBOL OR WORD MORE THAN ONCE. THIS WILL HELP YOU TO RETAIN THE INFORMATION AND FORM A BETTER FOUNDATION FOR FUTURE STUDIES.

ENJOY YOUR STUDY!

## **REVELATION CHAPTER 1:**

## VV 1-8 Introduction:

1. When does vv 1 indicate these things would come to pass?
  2. Who was this Revelation written for? What does this mean?
  3. What does the word, SIGNIFIED mean? What does this reveal to us about the language used in this book and how it is written?

4. What is the, TESTIMONY of Jesus Christ referring to? \*HINT\* See 1 John 5 vv 4-6  
How many times is this phrase used in the book of Revelation?

In order to understand Revelation it is important to understand Symbolology. As we have learned so far from vv 1 of Chapter 1, this is a book of symbols. There are many symbols that occur often throughout Revelation. Find the Symbolic meaning of each of the following words:

5. Lampstand:

6. Two-edged sword:

7. White robes:

8. Burnished Brass:

9. Earth:

10. Sea:

11. Living Creatures:

12. Elders:

13. Lion of Judah:

14. Lamb:

15.Horse:

16.Altar:

17.Heaven(s):

18.Earthquake:

19.Sun:

20.Moon:

21.Stars:

22.Trumpets:

23.Rainbow:

24.Temple:

25.Bottomless Pit

26.Woman-

- 27.Tell about the difference between a Good woman and a Bad woman:  
(see. Proverbs, 9 vv1, 14 vv 1, and 6 vv 24-29)
- 28.The structure of Revelation is very intriguing. There are many places where the number 7 is mentioned throughout the book. What is the scriptural significance of the number 7?
29. List at least 10 times the number 7 is mentioned in Revelation site a verse for each instance you find.

30.Why do you think the number 7 is used so often?

- 31.At the end of vv 3 it says, “the time is at hand”. This means, the time was at hand when the Revelation was given to John. We also believe that the time is at hand. What insight does this give us about the book of Revelation?

32.In vv 5 it states that Christ is the first begotten of the dead. What does this mean?

33.What do you think the role of the, “Kings and Priests” will be?

34.Who does this refer to?

35.This phrase is mentioned elsewhere as a, “kingdom of priests”. Where?

36.What is meant by the clouds in vv 7?

37. Explain what is meant by, “I am Alpha and Omega”

38. We see in vv 9 that John introduces himself. Where was he writing from?

39.What was the timeframe that this was written?

40.What circumstances did John find himself in?

## **VV10-20 THE INITIAL VISION:**

41. Draw a Picture of John's first vision including as many details as you can.  
(use a separate page if necessary)

42. Describe each detail you drew and what it represents:

43. Who was it that stood in the midst of the 7 candlesticks?

44. Describe what you think this vision represents:

## Chapters 2-3:

1. Chapters 2-3 cover the messages given to the 7 Ecclesia's. Which ecclesia's was John's message directed to.

2. Who do these Ecclesia's represent?

## CHAPTER 4:

CHAPTER 4 BEGINS THE NEXT SECTION OF REVELATION. CHAPTERS FOUR AND FIVE PROVIDE AN INTRODUCTION TO THE REST OF REVELATION. THE FIRST THING THAT WE SEE IS A SYMBOLIC DESCRIPTION OF THE KINGDOM IN ITS GLORY, AND THIS IS FOLLOWED BY THE VISIONS OF THE EVENTS LEADING UP TO THE KINGDOM. THIS METHOD MAY SEEM OUT OF ORDER, AND A LITTLE CONFUSING, BUT IT PROVIDES THE ULTIMATE PICTURE FIRST, INDICATING THE EMPHASIS ON THE FINAL GLORY. WE SEE A SIMILAR SCHEME OF RECORDING BIBLE PROPHECY IN ISA. 2 W 2-4. ISAIAH FIRST PAINTS THE PICTURE OF JERUSALEM IN ITS GLORY AND THEN PROCEEDS TO DESCRIBE CONDITIONS AND EVENTS THAT LEAD UP TO THAT STATE OF GLORY.

THIS SECTION DEPICTS THE LORD JESUS CHRIST IN RELATION TO THE KINGDOM, AND SHOWS HIM AS THE TRIUMPHANT ONE, VICTORIOUS OVER HIS ENEMIES. IT IS DIVIDED INTO SECTIONS, WITH EACH SECTION BUILDING ON THE PREVIOUS, UNTIL THE FINAL CONSUMMATION IS REACHED.

1. What does the phrase, “After this” indicate in vv 1?
  
  
  
  
  
  
2. How many times does the word, “Heaven” occur in Revelation.
  
  
  
  
  
  
3. What is this word, “Heaven” referring to here?
  
  
  
  
  
  
4. Who was the voice of vv 1?

5. What is a trumpet typically used for in scripture?
  
  
  
  
  
  
6. What is meant by, “I will shew thee things which must be hereafter”? Who is speaking and who are they speaking to?

7. What does it mean when John says he was, "in the spirit"?

8. What does the throne here in vv 2 represent?

9. Who is the, "One" from vv 2?

10. What do the 2 stones represent in vv 3? How do the stones relate to Christ?

11. Where else would these two stones be found in Israel's history?

12. What does a rainbow represent in scripture?

13. What do you think the Rainbow symbolizes here?

14.What does an Emerald represent?

15.Who are the, “four and twenty” elders? What were the thrones that they sat on. HINT: PSALM 122

16.Why would they be wearing white raiment?

17.What is the significance of the crowns of gold?

18.Lightnings and Thunderings are clear symbols of war in scripture, who do you think is heading up this war?

19.Who do you think the seven spirits are in vv 5? Why would they have lamps of fire?

20.What is meant by, “the sea of Glass like unto crystal”? HINT- ISAIAH 2 vv 2-4 Does the appearance of this sea have any relation to the stones in vv 3?

21. Look up the word BEASTS from vv 6 in a concordance and Give the definition.

22. Describe each of the creatures mentioned in vv 7 and what you think they represent.

23. What is the common theme at the end of chapter 4?

24. What do you think this chapter is a vision of?

## Daniel and Revelation:

There are many similarities between the book of Daniel and Revelation. We are expected to see Daniel's prophecy as an introduction to Revelation. It is important for us to have an understanding of the visions and dreams of Daniel before moving on in Revelation. Let's do a little work with those now before we move on to the seven sealed scroll.

Nebuchadnezzar's image is found in Daniel chapter 2. Next to the image, write the material used, the nation it represents, and an approximate time frame:

# The layout of Revelation:

Now is a good time to talk about the layout of Revelation again. On the chart below we see a picture of the organization of the book concerning the events that take place. We can see looking from left to right on the chart that we have the vision of the Multitudinous Christ, then the letters to the 7 ecclesia's. After that we see the vision of the kingdom of God on earth. The important aspect that needs to be understood from this chart is the 7s. We are about to look at the 7 sealed scroll which leads us to the seals, trumpets, vials, and thunders. What is laid out clearly on this chart and the important thing to note is that the 7th seal contains the 7 trumpets, the 7th trumpet contains the 7 vials, and the 7th vial contains the 7 thunders. During this time we have the Great Earthquakes (political upheaval). Moving forward if you understand this idea, understanding the rest of Revelation will be less challenging.

## - The Revelation of Jesus Christ -

## REVELATION 5: THE 7 SEALED SCROLL

John observes a scroll in the right hand of the One seated on the throne. Many were trying to open the scroll, because once each seal is opened the things in the scroll began to happen. The final seal contained the set up of the Kingdom. This scroll is sealed so tight that it is beyond the ability of any to unroll it. This causes John great distress, until it is announced that the Lion of Judah has prevailed, and is able to open the scroll. This brings a scene of great glory. John expects to see a great lion, however he sees a lamb who is given the scroll.....

1. Who is found sitting on the throne here?
2. What is the significance of the 7 seals?

3. At what time was Daniel told that the scroll would be opened?

HINT\* DANIEL 12

4. Why do you think the statement is made in vv 2 that the Angel is strong?

5. How did John feel about the fact that the scroll was unable to be opened?

6. Why is the one who is able to open the scroll called, “The lion of the tribe of Judah”?

7. Who is able to open the scroll if no one in heaven, on earth, or under the earth is able to do so? What makes this person’s nature different?

7. What is the significance of the Lamb on the throne who looked like it had been slain?  
(vv6)

8. What do the Horns represent?

9. What do the eyes represent?

VV7: THE LAMB IS REPRESENTED AS TAKING THE SCROLL FROM THE, “ONE UPON THE THRONE” BUT, BOTH THE LAMB AND KING REPRESENT THE LORD IN TWO RELATIONSHIPS. THE LAMB REPRESENTS CHRIST AS HAVING TRIUMPHED OVER THE FLESH. THE KING REPRESENTS CHRIST EXHIBITING THE MEANS OF SUCH VICTORY---GOD MANIFEST IN THE FLESH. SEE ROMANS 8 vv 3

## Revelation 9 vv1-12

### 7th Seal

#### 5th Trumpet (*1st Woe Trumpet*)

1. Symbols of the 5th trumpet: identify what they represent/symbolize

Star= \_\_\_\_\_

Key= \_\_\_\_\_

Bottomless Pit= \_\_\_\_\_

Smoke= \_\_\_\_\_

Sun= \_\_\_\_\_

Locust= \_\_\_\_\_

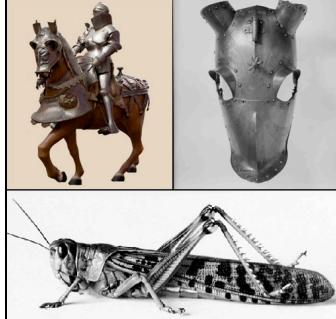

Green Grass=\_\_\_\_\_

Teeth of Lions=\_\_\_\_\_

Angel=\_\_\_\_\_

2. Locust are remarkable for their numbers, which sometimes are so great that they darken the sky. Locust will destroy anything, not from a large appetite but more from a rage for destruction. List 3 references in the bible that talk about how locust can be of such great number as to black out the sun, darken the earth, and/or lay out major destruction.
  
  
  
  
  
  
3. The word locust in Hebrew is arbeh, very similar to Arab. Locust and scorpions are indigenous to Arabia. Historically, who is the leader of this destructive army that would bring long lasting pain upon Eastern Empire? What was his army called.
  
  
  
  
  
  
4. A scorpions' sting induces an extreme inflammation, severe pain and a raging temperature, though not fatal. They are a volatile bunch who will attack and even consume themselves. The purpose of the Arabs who came over were looking to change the religion of the Roman Catholics. What was this religion?

#### NATIONAL GEOGRAPHIC:

A plague of locusts is a devastating natural disaster. These infestations have been feared and revered throughout history. Unfortunately, they still wreak havoc today.

Locusts are related to grasshoppers and the two insects look similar. However, locust behavior can be something else entirely. Locusts are sometimes solitary insects with lifestyles much like grasshoppers. But locusts have another behavioral phase called the gregarious phase. When environmental conditions produce many green plants and promote breeding,

locusts can congregate into thick, mobile, ravenous swarms.

Locust swarms devastate crops and cause major agricultural damage and attendant human misery—famine and starvation. They occur in many parts of the world, but today locusts are most destructive in sustenance farming regions of Africa.

The desert locust is notorious. Found in Africa, the Middle East, and Asia.

**THE ARABS WERE SKILLFUL HORSEMAN, WORE YELLOW TURBANS (CROWNS OF GOLD V.7), HAD LONG FLOWING HAIR, AND BEARDS. THIS IS NOTED BY VARIOUS AUTHORS OF HISTORY SUCH AS PLINY, "NAT. HIS. VOL.6, PG 28. THEY WOULD LEAD THEIR HORSES, WHICH PULLED ARTILLERY INTO BATTLE AND SWING THEM AROUND TO BLAST CATAPULTS INTO THEIR ENEMIES FACES (ALSO INDICATIVE OF A SCORPION).**

5. Give a brief synopsis of what is happening in this 5th trumpet.

Gibbon in the 51st chapter quotes the instructions given by Abubeker, the successor of the Prophet, to his captains: "Remember that you are always in the presence of God, on the verge of death, in the assurance of judgement, and the hope of paradise. Avoid injustice and oppression; consult with your brethren, and study to preserve the love and confidence of your troops. When you fight the battles of the Lord, acquit yourselves like men, without turning your backs; but let not your victory be stained with the blood of women and children. Destroy no palm trees, nor bum any fields of corn. Cut down no fruit trees, nor do any mischief to cattle, only such as you kill to eat. When you make any covenant or article, stand to it, and be as good as your word. As you go on, you will find some religious persons who live retired in monasteries, let them alone, and you will find another sort of people, that belong to the synagogue of Satan, who have shaven crowns; be sure you cleave their skulls and give them no quarter till they either turn Mohammedans or pay tribute." So once again the unusual, the unexpected, is noted centuries before the event in God's prophecy, showing to us that God foreknows and controls all the affairs of history to attain His ends; in this case the protection of true believers, and the destruction of idolatrous catholics. One may ask, what other fulfillment can be found that fits the strange behavior of locusts not destroying grass and trees, yet carrying out a work of destruction?

### Revelation 9 vv.13-21 7th Seal 6th Trumpet (*2nd Woe Trumpet*)

1. Symbols of the 6th trumpet: identify what they represent/symbolize

Golden Altar=\_\_\_\_\_

Angels=\_\_\_\_\_

Jacinth(hyacinthine)=\_\_\_\_\_

2. Who do the four angels in v.14 represent from Turkish history?

3. In v16 it says "two hundred thousand thousand", is this number to be taken literally? What can be gathered about the Turkish army in regards to this number?

4. The horses and riders having breastplates of fire, jacinth, and brimstone, with the heads of the horses being likened unto heads of lions that issued fire, smoke, and brimstone from their mouth is figuratively speaking of what?

5. In v.18 it says that by the three plagues a 1/3 of man kind was killed. With this figurative language what can we gather happened literally?
  
  
  
  
  
  
  
  
6. Despite the Divine judgement poured upon the Eastern Empire, what action was taken by the Roman Empire who remained intact which included Catholic institutions who still maintained their independence?
  
  
  
  
  
  
  
  
7. Give a brief synopsis of what is happening in this 6th trumpet.

*Turkish Weaponry:*

The Saracens in warfare had scorpion-like tails with stings in their tails; that is, Greek or Saracen fire projected by catapult; and the Turks some 800 years later had "fire, jacinth and brimstone", that is, gunpowder to project the "heads of the serpents" far more violently than the Saracens could against the enemy.

There is a most remarkable agreement between history and the symbols; and the matters are related in the right order -- the 5th Trumpet followed by the 6th Trumpet details.

Taking the full span of the six Trumpets in Revelation chapters 8 and 9, we have symbols and history running side by side in harmony for a thousand years. This is the more impressive as one considers the many symbols used, each presented in the right sequence through the six Trumpets. In addition, the prophecy gives an inner meaning to the events: we are told God was measuring out his judgements on an increasingly wicked Christian world. The record concludes: "Neither repented they of their murders, nor of their sorceries, nor of their fornication, nor of their thefts" -- a true comment on the Catholic Church, and a warning to the brethren living at the time.

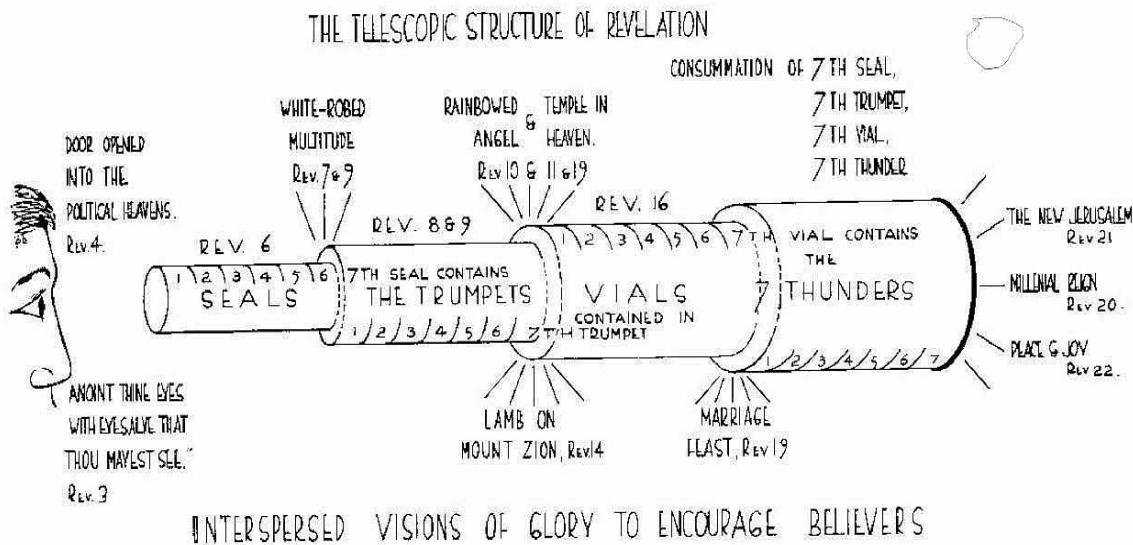

## CHAPTER 10 THE RAINBOWED ANGEL

and

# 7 THUNDERS

These thunders which come in the 7th Seal, and then subsequently in the 7th Trumpet come after Armageddon.

A new vision unfolds here before John. He sees a mighty angel holding a little book, standing on the land and ocean of earth as a conqueror. He hears the roar of the lion, and the thunder of heaven's artillery. John listens to the Divine oath that there shall be, "time no longer" but that the grand secret of the Divine purpose will be made manifest in the earth.....

John sees this rainbowed angel with an open book in his hand. in response to the angel's cry, seven thunders utter their voices, but John is not permitted to record the things he hears. He is told that the purpose of God will come to pass at the sounding of the seventh trumpet.

Vv1-5

In vv 1-5 we get a description of the rainbowed angel. Each of the following items are characteristics of this, “mighty angel” Describe what each word represents as a characteristic of this angel:

1. Mighty:
2. Come down from heaven:
3. Clothed with a cloud:
4. Rainbow:
5. Face as it were the sun:
6. Feet as pillars of fire:
7. Based on the chart at the beginning of this section, what do you think the time period of the rainbowed angel is?
8. How many times is the phrase, “seven thunders uttered their voices” repeated in this chapter?

9. What was John told about recording the events of the thunders?

10. Why do you think John was told this about recording the thunders?

The mighty angel of vv 1 standing astride the earth, clothed with a cloud and shrouded by a rainbow presents a graphic symbolic picture of Christ and his glorified saints standing victorious over all countries surrounding the Mediterranean and over Catholic Europe. John sees Christ near the end of his work of subduing the nations, hence much has been accomplished since he mighty angel left Sinai.

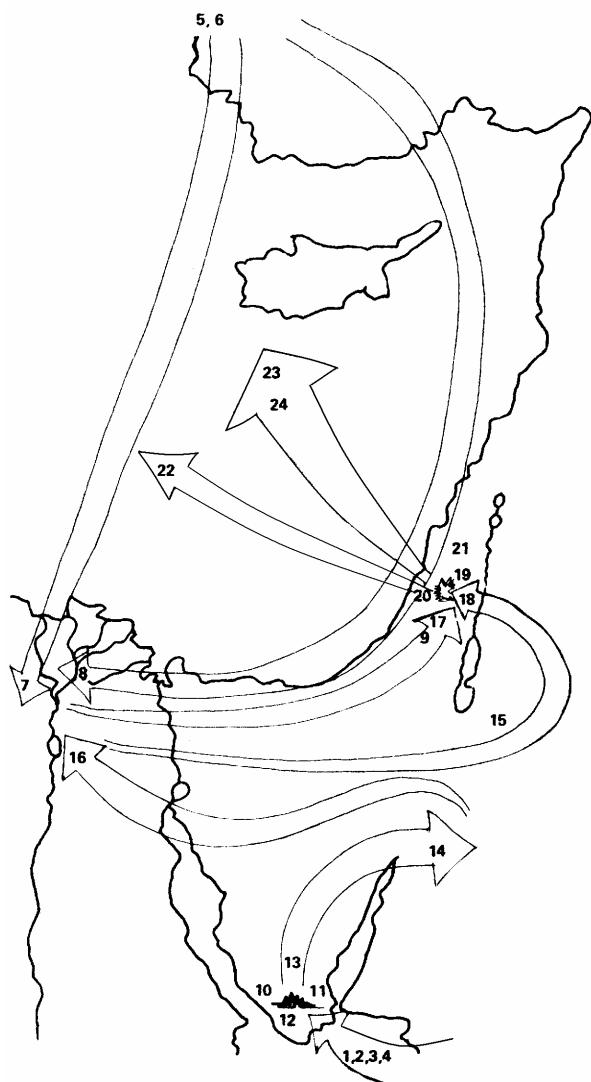

John observes the rainbowed angel with an open book (or scroll) in his hand standing as conqueror over the earth and sea. John listens to the 7 thunders uttering their voices and though forbidden to record them is invited to eat the little book as an indication of his involvement in the events it recorded. Finally, he receives the assurance that he will yet preach the Gospel to all peoples of the world in the future age.

11. Why do you think John was told to eat the book?

12. Describe John's experience when he ate the book:

**SYNCHRONIZATION OF EVENTS OCCURRING AT THIS TIME**

While Christ is at Sinai preparing his saints to go forth with him, many things are happening in the world which gather all nations to "the battle of that great day of God Almighty" at Armageddon. Although many things will occur simultaneously, the following is an attempt to provide an order of events from Russia's advance into Turkey to Christ's appearance at Jerusalem.

1. Russia having formed an alliance with the Catholic Church and the nations of Europe will advance on Turkey.
2. Once established in Constantinople (Nebuchadnezzar's Image now nearing completion with but Israel and Egypt to be incorporated) the Russian forces will rapidly advance down the coastal plain of Israel, by-passing Jerusalem, and invade Egypt.
3. Elijah is sent forth to gather scattered Israel, while Christ and the saints move from Sinai, northwards, and subdue the Arab powers of the region.
4. The Tarshish powers enter the conflict and consolidate their power in and around Jerusalem.
5. After subduing and occupying Egypt the Russian forces receive tidings out of the east and the north which trouble them.
6. Leaving an occupation force, the Gogian confederacy advance upon Jerusalem and engage the forces of the west around Jerusalem.
7. Christ and the saints enter Egypt, subdue Gog's 40occupying army and relieve Egyptian distress. They commence the work of converting Egypt.
8. Gog is victorious over all opposition in the land of Israel and sets his seat of power in Jerusalem.
9. Christ and the saints having left Egypt travel east to Mt. Paran, Mt. Seir and the Dead Sea conquering any resistance encountered, and enter the land due east of Jerusalem, arriving at the Mount of Olives as Gog is going about the task of taking the remnant of the Jewish nation into captivity.
10. Christ and the saints use divine power to overthrow Gog's forces and an earthquake makes dramatic changes to the topography of the land.

# *Chapter 11: The Death and Resurrection of the 2 Witnesses*

This chapter includes three parts:

- 1- The measuring of the Temple
  - 2-The warfare, death and resurrection of the Witnesses
  - 3-The sounding of the 7th Trumpet, where the nations are loosed from the control of the flesh, and the Lord Jesus Christ takes control.
- The two witnesses represent the long struggle against political and religious tyranny which has continued throughout the ages. This is especially true during the time of the sounding of the first six trumpets.

Before Christianity became the accepted religion of the Roman Empire many who called themselves Christians were persecuted.

They were threatened, told to stop preaching, put in jail, or even killed for their beliefs. Later when the Roman Empire accepted Christianity it became easier for believers. This only lasted a short time, because a new ruling religious body took a foothold in the Roman society. Catholicism became the new standard of religion in the Roman Empire. The leaders of the Catholic Church instead of being teachers of truth, developed a false version of Christianity and became powerful governmental leaders. They began to influence politics and policy for the land, eventually making it impossible to preach, teach, or even believe any other form of Christianity. Throwing Christians in Jail, torture, and the killing of those who did not follow the Catholic religion became standard practice.

## DAY FOR A YEAR PRINCIPAL:

In scripture, (especially prophecy) there are codes left for us to figure out in order for us to understand the true meaning of things. One of these codes is the, "Day for a year principal" Sometimes long periods of time are represented by shorter periods of time. These codes are not just, "made up". Usually the code to unlock prophecy can be found laid out for us in other chapters of the Bible. Lets take a look at NUMBERS 14 vv 34. We see that the people of Israel were to wander 1 year for every day they searched out the land. This is the day for a year principal and can be found throughout the book of Revelation.

In Biblical times a month always equaled 30 days, a year was always 12 months.

2. If this is the case how many days would be in a Biblical year?

If a day= 1 year....

3. How many years would a month represent\_\_\_\_\_

4. How many years would one year represent?\_\_\_\_\_

Moving forward it will be important to remember this principal.

5. Using the day for a year principal, tell how many years the time period found in vv2 represents.

6. How do you think the time period mentioned in vv 3 relates to the time period in vv 2?

7. Who do you think the two witnesses are?

8. List as many times in the Bible as you can, when true believers have been persecuted for their beliefs.

9. Who do you think the persecutors of the witnesses are and how long did the persecution take place?

10. What time period in history do you think this was?

### **Revelation 11 vv 13-19**

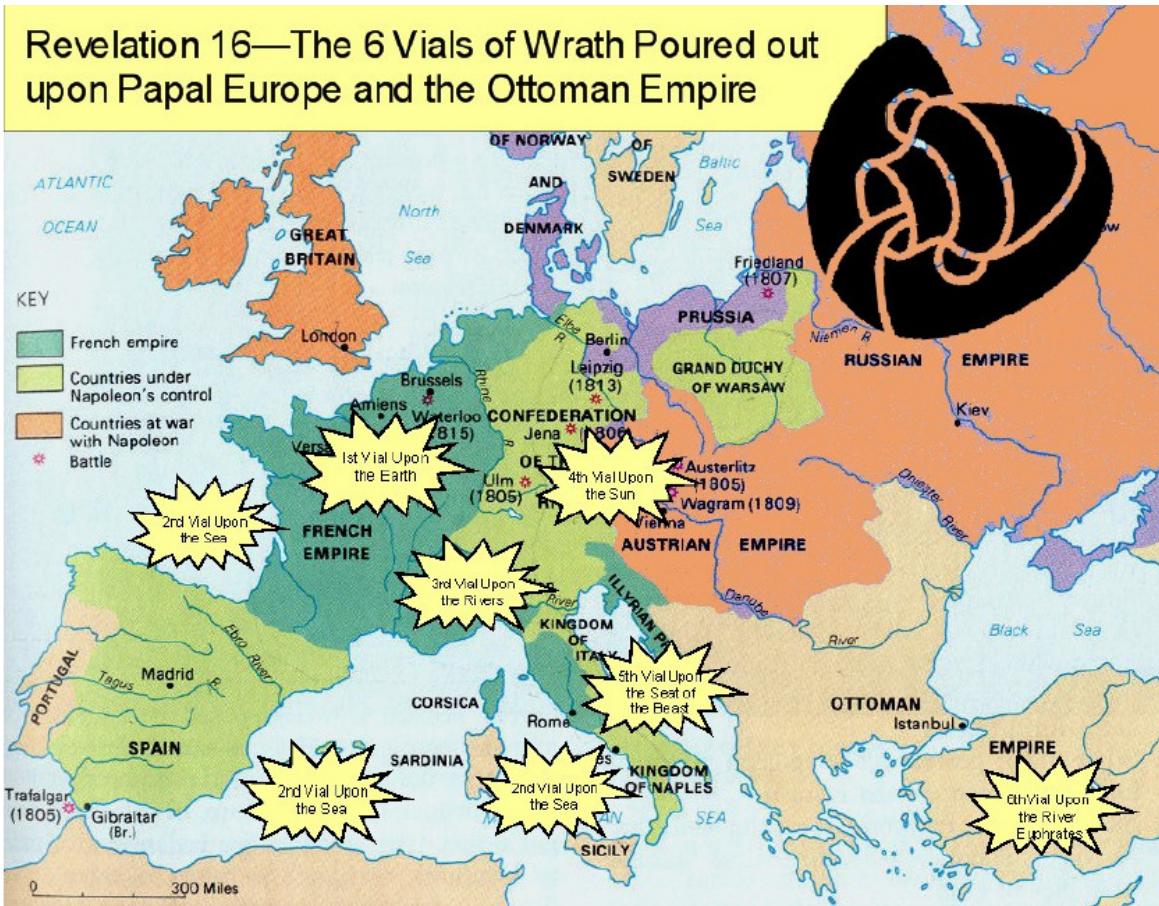

#### **7th Seal**

#### **7th Trumpet (3rd woe Trumpet)**

The 3rd woe trumpet which was sounded by the seventh angel, introduced the events that came quickly after the French Revolution. As is frequently the case in scripture, the final picture is given first, and then the events leading up to it are related. These are briefly hinted at in this section of Revelation, but are more completely dealt with as described by the outpouring of the vials in chapter 16.

11. In vv 13 there is a Great Earthquake, we know that this is symbolic of a political earthquake. What political revolution do you think this was?
12. What year did this take place?
13. Vv 18 speaks about angry nations on earth. Christ is opposing these nations, Who do you think will help him to destroy these nations?
14. What was seen in the Temple of God, and how does this relate to Christ and the Redeemed?
15. We now know that an earthquake is a symbol for a great overthrow of the existing political order. There are 3 great earthquakes mentioned in Revelation. List the 3 earthquakes and where they are found. Also note which political order was overthrown with each earthquake:

# THE VIALS

## REVELATION 16 vv 1-2

### 7th Seal

7th Trumpet (3rd Woe Trumpet)

**1st Vial**

1789-1793

We are now going to take a look at the Vials. It is important to note that the vials take place during the 7th Trumpet which are contained in the 7th seal. Reference the Revelation lay-out graphic on page 17.

1. The sore mentioned in vv 2 is not literal but a figurative symbol. What is this revolution that brought distress to the nations, which has lasted until present day?
2. The BEAST is the Holy Roman Empire. Who do you think they are worshipping in vv 2?
3. Who was the man in history who aided in afflicting this sore on the Roman Catholic countries?

The divine commission which Napoleon unconsciously fulfilled was to trouble the former as to bring it to an end. He was, "a man of destiny". Specifically directed against Roman Catholicism. It is remarkably significant, that whereas he enjoyed outstanding victories so long as he limited his attacks against Roman Catholic countries, he experienced dismal and decisive defeats when he moved beyond the area of such. His Palestinian and Russian campaigns were disastrous, and his quarrel with Protestant England finally encompassed his fall. Meanwhile, the effect of the, "malignant ulcer" was felt by all Roman Catholic countries of Europe...

Napoleon's conquests extended throughout Europe. He tried to Gain control of Britain, the Middle East, and Russia. But was met with Great resistance from the British Navy. The British blockaded Napoleon and gained control of the sea ports, many lives were lost as these battles took place. He succeeded on land but was defeated on sea. At first the Holy Roman Empire was only under attack from the rebellion that started in France however, the empire was under attack by the mighty British Navy which showed its prowess by cornering Napoleon and allowing for his defeat. Starting in 1793 England began to destroy the French Navy and went on to destroy the Navies of Spain, Italy, and Belgium. This is the description we see from vv 3 of Chapter 16.

1. Why do you think Napoleon was successful on land but not on the sea?
2. What do you think is meant by, "every living soul died"?

3. Briefly explain what is happening during the 2nd vial:

There is a parallel between the events of the seven trumpets and the seven vials. The same area of Europe as affected by Napoleon was the scene of the operation of Attila under the third trumpet. This was the Area north of Italy, to Switzerland and it's adjoining highlands. This is where the rivers of western Europe rise. The description in this vial of the, "rivers and fountains of waters" point us to this area. This was in fact where Napoleon had successful attacks against the Roman Catholic Empire....

1. Why would God want Napoleon to attack the area north of Italy?

2. What nation would have been protecting the Pope at this time?

3. Briefly explain what is happening during the 3rd vial:

4. What do you think vv6 indicates about what the Catholic system had done to believers?

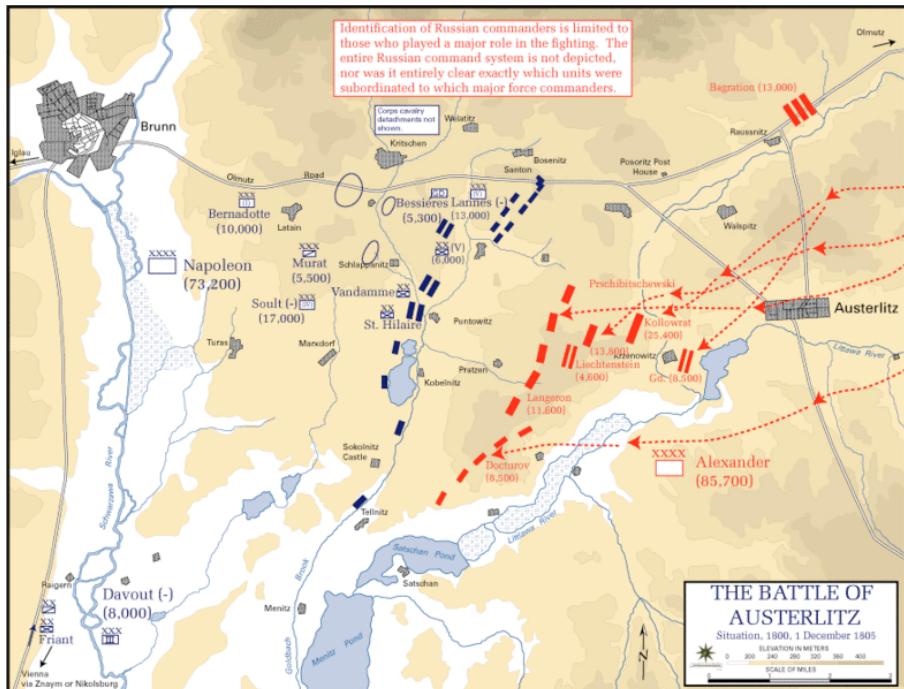

5. What does it mean at the end of vv 6 when it says, "they are worthy"

With the defeat of the Austrian Emperor during the fourth vial period, the Pope representing the head of the Holy Roman Empire had been humiliated. The empire was dissolved after a 1000 years of blasphemy and violence. Napoleon's commission was completed....

We have now entered into the vial that we are living in. It is possible to make the mistake to believe that since the first 5 vials overlapped or happened in short succession that the final two would do the same. This would be incorrect. The fact is, the 6th Trumpet lasted 391 years. For a vial to last equally as long would not be unprecedented. Much has happened during this vial and, Christ returns during the 6th vial period. There is much to take place before the 7th vial commences....

6. Who is the False Prophet?

7. What war (that has not happened yet) will take place during the 6th vial?

8. When do you think the 7th vial will be poured out based on vv 17?

Armageddon is a symbolic name signifying *A heap of sheaves in a valley for judgment* illustrating a national judgment such as is predicted in Micah 4:13; Joel 3:12-14. Key point of the conflict will be Jerusalem (see Joel 3:16; Zech. 14:1-2) and not Megiddo as is sometimes assumed. Philologically the two words are not related. Armageddon will draw the nations to Jerusalem, to the site of Christ's humiliation at their hands 1900 years ago, there to witness his power and glory. This will be the beginning of judgment that will ultimately involve the whole world including Babylon the great. See Rev. 16:19-21.

**Revelation 16 vv 17-21****7th Seal****7th Trumpet (3rd Woe Trumpet)****7th Vial****7 Thunders****Future Events**

The vision in chapter 15 shows us, " those who have the victory over the Beast, over his image and over his mark and over the number of his name" (15:2). They sing about the time when God's judgments are made manifest (verse 4). This introduces a new phase that is not fully described in Revelation. Back in chapter 10, John was told, "Seal up the things which the seven thunders uttered, and do not write them" (verse 4). It is strange in a book called, "The Revelation" - i.e., about uncovering and explaining things that are hidden- to have part of its message sealed up and closed front view.

The Book of Revelation is Jesus' message to John and all his faithful followers. After his death and resurrection, Jesus ascended to heaven, where he waits for the appointed day when his Father will send him back to the earth to set up His kingdom. The message of Revelation was given to instruct Jesus' disciples in advance of the momentous events that would occur between his ascension to heaven and his return to the earth. When we come across the section that remains, "sealed up" it is likely therefore to refer to events that Jesus will be able to reveal personally once he has returned - i.e., events that will occur when he comes back to set up God's kingdom.

But, accepting that we cannot know in detail about the, "seven thunders", is there a general message to be learned about them? Thunders are used in the Bible to describe God's judgments on the enemies of his people. Hannah, and her prayer in 1 Samuel 2, said: "the adversaries of the Lord shall be broken in pieces; from heaven he will thunder against them" (verse 10). The details of these thunders did not need to be revealed to John, for Jesus will be back in the earth to tell his disciples about them face to face.

John is conveyed into a wilderness and is shown Babylon the Great first in power and then in destruction. This is followed by a description of the Marriage of the Lamb, the conquest of the beast, and the binding and ultimate destruction of Satan. The section can be epitomised:
