WELCOME TO YOUR KIDS CAMP WORKBOOK!

What is the purpose of this book?

This workbook will help you to begin studying the life of Elisha in order to prepare yourself for the week at Kids Camp. This year we will see, through our studies of Elisha, that "My God is Salvation" to all believers.

What if I don't understand something in the workbook?

Remember that this workbook is designed to help you learn and nobody can understand everything their first time through! If you don't understand something, try rereading the passage or using another version of the Bible. If you are still stuck, ask your parents or aunts & uncles for help or write your questions down so you can ask someone at camp.

What do I do when I finish my workbook?

When you have finished your book, go back to the beginning and make sure everything is neatly written and answered thoroughly. Then you can have your parents sign the front. Don't forget to bring your workbook to camp and turn it into your counselor. There will be a prize awarded at camp for the best workbook!

Before You Begin...

Plan

- * You should be able to complete the workbook with time to spare by working on it for about 20 minutes per day.
- * How many pages are in your book? _____
- * How many days are there before camp? _____
- * What is the first line divided by the second line? _____
- * That is the minimum number of pages you need to do per day!
- * Example: If there are 30 days until the week before camp, and there are 60 pages: $60 \div 30 = 2$. The minimum you need to do in order to complete your workbook one week before camp is 2 pages per day.

Set Goals

- * Use the goal chart on the next page to help you stay on track.
- * Fill in the chart using the guidelines above to help you set a weekly goal for how much you need and want to accomplish.
- * Review your goals with your parents at the beginning and end of each week.

Helpful Hints

- * Don't forget to pray to God before you begin. Make sure you ask for an open mind and heart so that you can understand what you are studying.
- * Use a PENCIL so that it is easier to correct mistakes.
- * Read, Re-read & ask questions so that you understand the passage you are studying.
- * Read everything in the workbook. Some questions may be easier to answer if you have read the passages given to you throughout the book.
- * Ask someone if you get stuck. You can always call or e-mail us (Uncle Jonathan & Aunt Tiffany Wisniewski) if you need to. You can reach us at tiffanywisniewski@gmail.com or (805) 991-4073. Make sure you let us know you are calling about the workbook and don't forget to leave a call back number when you leave a message!

Goal Chart

Use this chart to set your goals and track your progress.

What You Will Need...

- ✿ The King James Version of the Bible (You may find it helpful to have other versions available as well.)
- ✿ Strong's Concordance
- ✿ Bible Dictionary
- ✿ Dictionary
- ✿ [Dictionary of Biblical Similitudes](#)
- ✿ [The Miraculous Significance of Numbers & Colors as They Appear in the Holy Scriptures](#), by M.D. Stewart
- ✿ Bible Charts & Timelines - especially about the Kings & Prophets of Israel & Judah

How to Use Your Resources...

- ✿ **Strong's Concordance:** This one can be a bit tricky, so read carefully and ask for help!
 - * Step 1: Look up the word in the main concordance (the front section) just like you would do in a regular dictionary.
 - * Step 2: Use the location of the word in the Bible to link it up to the Strong's number in the main concordance.
 - * Step 3: Use the number to look up the reference in the Hebrew dictionary which is found behind the main concordance.
 - * HINT: You can also search for where words are found by looking up the word in the main concordance and looking at all the different occurrences!
- ✿ **Bible Dictionary:** This one is pretty easy! It's used just like a regular dictionary or encyclopedia. All you have to do is look up the subject ~ everything is listed in alphabetical order!

Method of Study

It's always best to have an organized method of doing any type of study. We suggest starting with a prayer asking for God's guidance as you study His word. Once you do that, you can follow the steps outlined below.

Read the passage completely, without stopping.

Learn the passage by carefully reading it in small sections. The general questions in the workbook will be asked directly from these sections.

Look into It! Investigate what you have read by looking up the meanings of names and places as well as other instances in the Bible that may help you to understand what is happening in Elisha's life. This is where your resource books will be helpful!

Mark It! These questions ask that you mark something in your Bible so that you can remember it later. You will be given the information to mark, as well as where to mark it - don't forget to underline the word in your Bible so you know what your note is referring to. It is also helpful to have lined paper to put behind your page to help you write in a straight line.

Think about It! These questions require some extra thought about the passage to help you find the lesson God is trying to teach us.

Bonus! The bonus questions are a little harder to answer because you need to dig deeper into other parts of Scripture or find out some history. Reference books are handy for these.

Elijah Finishes His Work

1 Kings 19

- 1)  What had Elijah done & why did he slay the prophets with the sword?

- 2) What caused Elijah to run for his life to Beersheba?

- 3) Why did Elijah request that he might die?

Vv. 5 - 8: An angel prepares Elijah for his journey

- 6) Where did Elijah journey to?

- 7) What happened while Elijah lodged in the cave?

- 8) Why was Elijah hiding in the cave?

Elijah was a prophet during the reign of King Ahab. He did many different miracles that helped turn the people of Israel from the ways of their wicked king back to God. One example of this is when he, through prayer to God, caused it not to rain for 3.5 years. At the end of this time, he killed all of the prophets of Baal at Mt. Carmel.

IN THE BIBLE, BREAD & WATER REPRESENT THE WORD OF GOD IN OUR LIVES. BREAD IS A SYMBOL OF PARTAKING OF THE WORD, WHILE WATER IS PURIFICATION BY THE WORD. TOGETHER THEY SHOW ELIJAH'S ULTIMATE CONNECTION WITH YAHWEH.

9) What happened while Elijah was standing upon the mount?

10) How did the Lord appear unto Elijah?

11)  Still means "quiet, calm." Mark this in your Bible.

Reference:	Verse:	Marginal Note:

20) What did Elijah do to Elisha?

21) What did Elisha do in response to Elijah's actions?

In Lev. 8, we read of the consecration of Aaron & his sons to prepare them for their ministry in the temple by boiling the flesh & eating it at the door of the tabernacle. Therefore, we see that Elisha is being prepared for his ministry through the boiling & eating of the flesh of oxen in verse 21.

24) What did Elisha do after eating?

Match the 4 powers which God showed to Elijah with what they represent in Scripture.

Yahweh Provides Deliverance

2 Kings 3

Vv. 1 - 3: Wicked Jehoram

61) Who was Ahab's son?

63) Was Jehoram a good king?

64) What was the good thing that Jehoram did?

65) What did Jehoram cleave unto?

Vv. 4 - 5: The King of Moab rebels

67) Who was the king of Moab at this time?

68) How was Mesha described and what did he offer to the king of Israel?

69) Who was the king of Israel that he offered this to?

Upon the death of King Solomon, his son Rehoboam reigned over the Kingdom of Israel. While king, Rehoboam taxed the people to support his lifestyle, just as his father had. As a result, Jeroboam came to him and asked him to "lighten their yoke" and they would serve him. Rehoboam responded by saying that he would make life even harder for the people! Because of this, 10 tribes rebelled against him under the leadership of Jeroboam and the kingdom was divided: 10 tribes in the north (Israel) and 2 tribes in the south (Judah).

Vv. 6 - 9: Unity to fight against Moab

70) What was Jehoram doing at this time?

71)  Where are some other occurrences of a king numbering Israel?

72) How did Jehoshaphat respond?

73) How did the kings travel to Moab?

78) What did Jehoram think was going to happen?

79) What did Jehoshaphat want to do?

80) Who was suggested & why?

81)  What does water represent in Scripture?

It is interesting to note that while the kings had run out of water, Elisha is introduced as being the one who poured water out on the hands of Elijah. This sharp contrast shows the abundance of God's word in Elisha compared to the lack of God's word in the kings. We are told of this event in 1 Kings 19:21, where we read that "he arose and went after Elijah and ministered unto him."

82) What did Jehoshaphat think of Elisha?

83) How did Elisha greet the kings?

84) Why did the kings think Yahweh had called them together?

The prophets of
Jehoram's mother &
father were the same
prophets of Baal that
Elijah slaughtered in
1 Kings 18.

85)  Who is Elisha quoting when he says "As the Lord of host liveth, before whom I stand?" Where is the original quote found?

86)  What is a minstrel?

87) What happened while the minstrel played?

88) What did Yahweh command?

89) What miracle was God going to perform?

90)  The word light means insignificant. Mark this in your Bible.

91) What was God going to do besides filling the valley with water?

92) What four things would the company of the kings accomplish?

93)  What does the word mar mean in verse 19?

99) What did the Israelites do when they entered into the country of Moab?

100) Did God fulfill his promise?

101) Who smote Kir-haraseth?

102) What did the King of Moab do when he saw that they were losing the battle?

103) What did the king of Moab do when they failed?

104) What happened after this offering?

God despises those who sacrifice their children to idols. This was an act derived from the followers of Baal & Molech. We read of God's thoughts on human sacrifice in Lev. 18, 20 & Jeremiah 32. It is no wonder that this disgusting act caused the union of Israel, Judah & Edom to go their separate ways.

DOUBLE PUZZLE!

Unscramble the words. Then copy the letters in the numbered cells to other cells with the same number to find out what happened to Elisha when the minstrel played
