Dear Kids Camper,

It is so great that you are planning on coming to Kids Camp California, God Willing. Whether this is your first year or you are a regular, we hope you have a fantastic time.

This year, we will spend the week studying the early life and ministry of Jesus Christ. He was God's son, sent to do God's will on earth.

God was with Jesus right from the very beginning, moulding and shaping him for the important work he was going to do. When Jesus was just 12 years old, people sat and listened to him and were amazed at how well he knew the bible, and how excited he was to share it with others. When Jesus started his ministry when he was 30 years old, people soon came from all over to hear what he had to say about the kingdom of God. He performed amazing miracles, told parables, and showed compassion to all. Some people were jealous of him and sought to hurt him, others were amazed and followed him.

We can learn so much from God's son! We can learn so much from his example. We hope that by learning more about Jesus and his ministry you too will want to have the kind of faith and excitement for the truth that he did.

If you have any questions about the workbook or any of the projects, please don't hesitate to call or email us:

May God Bless you in your studies of the life of Jesus.

REMEMBER!

Always start your studies with a prayer to God for guidance!

WELCOME TO YOUR STUDY OF THE EARLY LIFE OF JESUS

Here's what you'll need to complete this workbook:

- King James Version Wide-Margin Bible
- Bible Dictionary
- Bible Atlas

(a King James Version is mandatory,
because all questions come from it,
although additional versions can be helpful)

Other resources that may come in useful:

- Story of the Bible Vol. 4
- Story of the Bible Vol 5.
- Enhanced Strong's Concordance

An Enhanced Strong's Concordance
will help you with the meaning of names,
just tell you who a person was, or where a
city was, without giving the definition of the
name of the person or city.

Tips for a successful study

Tip # 1: Pray

In this study we'll learn how important prayer was to Jesus, and if we can see so clearly how important God's guidance was to Jesus, maybe it'll help us see how important prayer should be in our daily lives too.

Tip # 2: Set goals

Sometimes big projects can be overwhelming. However, if you divide a big project up into smaller easy-to-achieve tasks, then suddenly, your big, daunting project is done! The same goes for your Kids Camp workbook.

MAKE A PLAN. Use the goal chart on the next page to help you.

Tip # 3: Write in pencil

That way you can correct mistakes!

Tip # 4: Have fun!

God's Word is truly amazing. Enjoy your study, and if you get stuck on a question, make sure to ask someone for help.

JUNIOR PROJECTS & MINUTE MEDITATION

Bring to Kids Camp

All Kids Campers are required to complete a MINUTE MEDITATION and special PROJECT before arriving at camp. Both will be presented to your counselor then displayed in the Main Hall. Choose ONE of the projects below, and write a minute-long presentation about something you learned in your studies of Jesus that you will present to your group and counselors.

Make a Model/Diorama

Choose 1 event from the early life of Jesus that you have learnt about and create a model/diorama. You can use things like legos, clay, a diorama box etc. When you have finished your model, write what the event is and a few key points about it and a lesson you learnt from that event.

Make Memory Flashcards

Create flashcards with questions and answers related to the ministry of Jesus i.e. Where in the OT is the prophecy of Jesus' birth mentioned? What was Jesus' first miracle and where is it found? What are the names of his 12 disciples? Make at least 15 flashcards. You can decorate the cards and use them for memorization for yourself, friends and family.

Create a storybook

Choose 3 events in Jesus' life and create a storybook or cartoon that details what happened. (Please include at least eight images in the event you choose and descriptions of what is occurring in each image, if necessary.) At the end, include a lesson this event taught you about living the truth.

MY GOAL CHART

The goal of completing this workbook is not just so that you can go to Kids Camp, but the real goal is so that you know **why** you're dedicating your life to God.

Use this chart to plan and track your progress.

APPENDIX A

FOLLOWING JESUS FOOTSTEPS

See map of Israel at back of workbook:

As we go through this workbook and learn about Jesus and his ministry, each place he went will be listed with a picture and some details of this place at the start of each new section.

When you see the **footsteps symbol** next to the name of a place, it means Jesus visited a new area. Use a Bible atlas to find and **mark that place on the map**. By the end of the workbook, our map **will show a lot of the places Jesus went**.

Each section will look a bit like this.

When you see the footsteps above the name of the place - that is your sign to mark it on your map.

About:

- Synagogue
- Jesus' headquarters
- Next to the Sea of Galilee
- Fishing town - lots of fishermen
- Busy marketplace
- Part of the Roman Empire, you might have seen Roman soldiers and important Roman people walking around.

CAPERNAUM

Let's begin.....

SECTION 1: God's purpose with the earth and His plan with Jesus

The life of the man named Jesus is remarkable and important for us to understand. To really understand the mission and the purpose of Jesus, we need to start at the very beginning!

Why did the world need Jesus?

Why was he born?

What was God's plan with him?

When God created the earth, He had a wonderful plan in mind. He wanted the earth to be full of men and women who were **like Him**. People who **loved Him**. People who **loved His word**. People who **followed His ways**.

1. Genesis 1:1 - "In the beginning, God created the heavens and the earth..."

Why did God create the earth? Have you ever thought about that? He didn't need to.

WHY did He create people? God tells us what His whole plan with people was, and still is! Look up Numbers 14v21. What is God's plan for this earth?

2. Now we understand what God's plan with the earth is. He wants to fill it with His glory. But what is God's glory? Did you know that God showed His glory to a faithful man named Moses! Let's look up Ex 34v5-7 and Ex 33v18-19 - write down what these verses say God is like.
-
-

**GOD'S
GLORY**

So God's glory is all the wonderful things about God that make Him so special and great.

And this is what God's plan is. God made people to be **like Him**.

He created us to live in a way that **other people can see God living in us**. And he wanted the **whole world to be like that**.

In the Garden of Eden, God made the first man and woman. Their names were Adam and Eve and they were made to be like God. God was pleased because everything that He created was very good. Nothing was wrong. Nothing was bad. Nobody disobeyed God.

Everything was very good.

until

One sad day, instead of listening to God's words, Adam and Eve did the ONE thing that God told them NOT TO DO. God was very sad and punished Adam and Eve and he made them leave the garden and told them that life would be hard for them now. This was the first lie and Adam and Eve felt very bad.

3. Look up Genesis 3v15-19. What was life outside the garden of Eden like? Was it easy?
-
-

however

On this sad day, God also gave Adam and Eve **some good news**. Before sending them out of the garden, God made them **a promise**. In Genesis 3v15, God says that there will be a man who would get rid of sin completely. Right here, after the very first sin, God gives people a chance **to be forgiven**. This way of forgiveness all revolves around the man God promised would someday come, **His son, Jesus**.

Outside the garden, Adam and Eve had children, and their children had children, and soon there were LOTS of people. They were sometimes good and loved God, but then they were sometimes bad and didn't listen to God. And this cycle continued. The world wasn't how God planned for it to be.

Nothing was very good now.

so

Because God loves His people, He tried to help them: He sent a flood to start fresh with His plan, He gave special promises to special people about the future and about a savior, He sent judges, He even sent prophets to warn and encourage them! But the people still disobeyed God's Word. So then He punished his people and sent them into captivity for 70 years! While the people were in captivity, God showed the prophets some of His plans for the future. The prophets passed on God's message to his people, telling them about the coming of the Messiah "the anointed" of God. When they returned home to Israel after the captivity, the people were happy, but longed for the coming of the Messiah who would save them.

4. Micah was one of the prophets God sent. Read Micah 5v2. Where would the Messiah, their soon-coming ruler, be born?
-

5. Jeremiah was another prophet sent to teach and encourage people. Read Jeremiah 23v5-6. What kind of man would Jesus be to the people? What family line would he be from?
-
-

6. Read Luke 4v43. What would Jesus' work be?

7. Read John 3v16-17. Jesus showed God's character to the world. What will happen if people believed in him?

GOD'S NAME

God's plan is so important to Him, that it is a part of His name.

His name is "Yahweh" which means, "He who will be".

This means, God would be shown to the world.

We will soon see throughout our studies that **He did this through His son Jesus.**

Jesus would show God's character to the world.

He did God's works, spoke God's words and did God's will.

We only have to live on this earth for one day to realize that the earth is NOT following God.

God knew that this would happen, and from the beginning of creation He had a plan.

After the death of the last prophets, the nation of Israel slowly became less important in the world. Other nations became great - strong nations, powerful nations, whose kings ruled over God's people. They longed to be free. If only they realized that God had brought these nations against them to punish them for their disobedience. He hoped that in their suffering they might learn to humble themselves and turn back to Him and love Him.

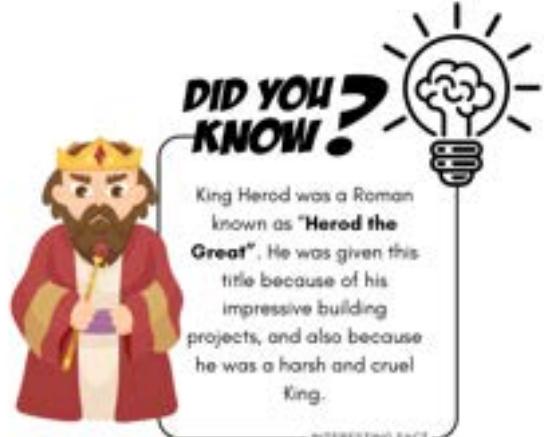

As always, there were a few faithful in Israel who still read the Law and the prophets. These men and women waited anxiously for **the coming of the Messiah, the "anointed" of God**. They believed that the Messiah would come and set them free and **bring God close to His people**. They looked at things happening in the world around them for signs that their Messiah would come and set them free.

It was into this world that the life of the man we're studying, Jesus, begins.

SECTION 2: The birth and early life of Jesus

Israel was still part of the Roman Empire, and Roman law and customs were being forced on the Jewish people. The Jews didn't like the Romans and there was always lots of tension between them. The Roman Emperor was called Caesar and he lived in Rome. He had Roman governors and kings throughout his empire.

8. Read Luke 1v5. Who was the Roman king in Judea at the time?

NAZARETH

About:

- Synagogue
- Jesus' hometown - he spent his childhood and early adulthood here
- Small Jewish farming town of around 300 people.
- Most people were farmers, tradesman, carpenters etc
- Not a busy place or a place that would have had many visitors

Read Luke 1v26-38.

In a tiny village called Nazareth lived a young Jewish girl. She believed in God and believed in the promises He had given to His people, but it had been about 2,500 years since God had promised Abraham that he would send a Savior.

God sent an angel to tell her a special message. **The time had come for God to send His son and she would be a part of God's plan in doing this.**

9. What was the name of the angel?

This was the same angel who appeared to Daniel a long time ago. He told Daniel of the coming of "Messiah the Prince" at the end of a certain period that was even then coming to fulfillment (Daniel 8v16, 9v21).

10. What were the names of the young couple who were about to be married?

11. What family line were they from?

12. Read verse 28 and 30, what was Mary's character like?

13. What did the angel say would happen to Mary?

14. What would be the name of her son?

15. Read verses 32-33, and fill in the blanks. "He shall be _____ and shall be called the _____: and the Lord God shall give him the throne of his Father _____: and he shall reign over the house of _____ for ever; and of his _____ there shall be no _____.

Jesus was both the Son of Man, being raised by Joseph and Mary like any human child, and the Son of God, being conceived by the Holy Spirit.

16. In verse 35, it says that the Holy Spirit would come upon Mary and that she would become pregnant. **The Holy Spirit is God's special power.** God has the power to create and change things as he wishes. Who would be this baby's Father?

The first person that Mary shared this exciting news with was her cousin Elisabeth. Just like Mary, an angel had appeared to Elizabeth's husband Zacharias, with a special message that his wife would soon have a son. They were old and didn't have any children yet, so this was amazing news. **The angel said that their baby would be named John and that he would be given a special mission - to announce the good news to everyone that the Messiah, that everyone had been waiting for, was coming!** The hearts of the people must be made ready to welcome him. For the last 400 years they had lived without a prophet of God in their midst. So they needed someone to put them in the right frame of mind to receive their Messiah. What an incredible mission! His work was so important that he would be filled with the Holy Spirit from his birth.

Jesus and John were cousins. What a powerful pair of cousins they would be! God would be with both of these boys from the womb, through their childhood, and throughout their adulthood, guiding them and preparing them in every aspect for their very important missions.

About:

- Located in the hill country right outside Jerusalem.
- A cozy little town with friendly people and lots of sheep. Rolling hills and open spaces where shepherds would watch over their flocks.
- A great farming area - mild climate and lots of rain made sure that orchards, vineyards, wheat and barley grew very well and always produced a bountiful harvest.

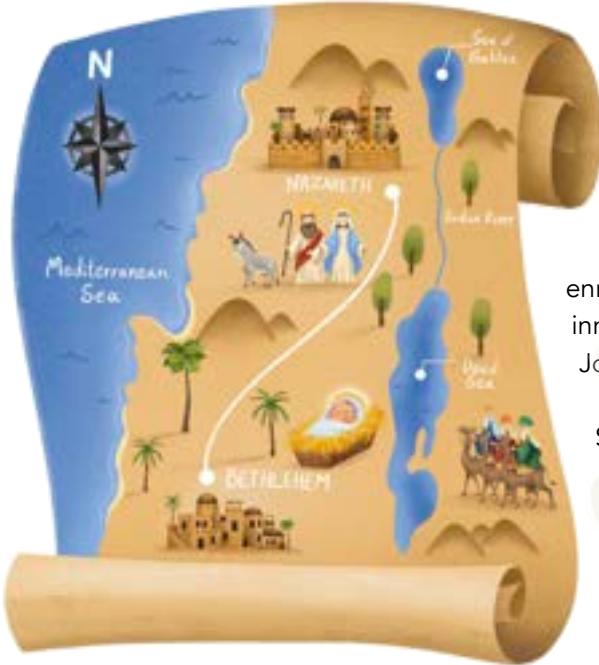

Read Luke 2v1-21.

The prophet Micah wrote that **Bethlehem** would be the birthplace of Jesus, but Joseph and Mary lived in **Nazareth!** So how would this happen?

GOD'S WORDS NEVER FAIL

Caesar Augustus, the emperor of Rome made a decree over all the people he ruled over, that everyone should go back to their own city to be enrolled for taxing. So, Mary and Joseph had to travel from **Nazareth** to **Bethlehem**, as they were both from the family line David, who was born in **Bethlehem**.

The journey was hard and over 60 miles long! It was nearly time for their baby to be born. Lots of people had traveled to Bethlehem to be enrolled, so when they arrived at the inn, it was full and there was no room for Joseph and Mary to stay.

So where would this special baby be born? In a nice, big home? In a clean hotel? NO! God's son would be born in a stable, a place for animals.

No-one in that small town was aware that the most wonderful event in history was about to take place!

17. What happened while they were in the manger? v7

18. There were shepherds in the nearby fields. An angel appeared to them. What did the angel say to the shepherds? v10-12

19. Suddenly, a multitude of the heavenly host started praising God! What were they singing? v14

20. Where did the shepherds go after all of this? v15

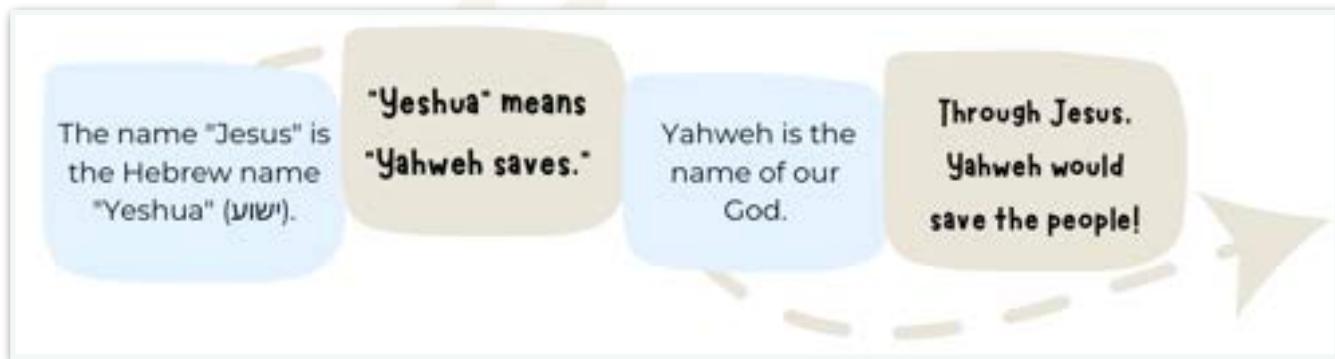

The shepherds told everyone what had happened and that Christ the Messiah was born in Bethlehem. All who heard the shepherds story were amazed! The shepherds then went back to their flocks, glorifying and praising God for all the things they had seen and heard.

21. What did they name their son? v21

22. Who chose this name? v21

23. Look up Matthew 1v21. What would Jesus save the people from?

24. Look up Luke 19v10. Who would Jesus save?

About:

- Located on a mountain that was well protected.
- A busy and important city. Markets, streets filled with people, a big beautiful temple where people went to worship.
- There were many different kinds of people there, and everyone had their own beliefs and ways of living.
- Jesus visited and ministered in Jerusalem at least 10 times during His ministry years.

Read Luke 2v22-39.

When Jesus was 8 days old, Joseph and Mary took him to the temple in Jerusalem to present him to God.

25. There was an old man in Jerusalem who was just and devout. What was his name?

26. Where did the Holy Spirit lead him? v27

27. Simeon was promised that he would not die until he had seen the Messiah. When he saw baby Jesus at the temple he was filled with joy and awe. What things did he say as he held baby Jesus and blessed God?

28. There was also an old prophetess sitting in the temple, what was her name? v36

29. She was a widow and never left the temple, what did she do every day?

30. What did she do when she saw Jesus?

BETHLEHEM

Read Matthew 2v1-18.

Mary and Joseph returned to Bethlehem, where they lived for some time. Meanwhile, far away in a land to the east, wise men looked for a sign which would tell of the birth of the Messiah! When they saw a new star in the heavens, they knew by calculations that the time had come. Immediately, they set off on the long journey to Jerusalem.

31. When they arrived to Jerusalem, what did they ask?

32. When king Herod heard these things, how did he feel?

33. Herod gathered all the chief priests and scribes together to find out where Jesus was born. What did they tell him?

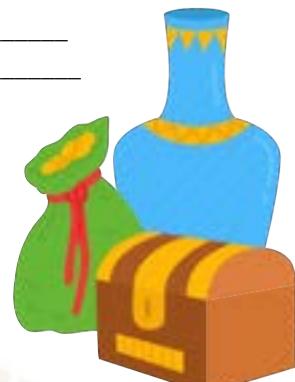

Commentators often say there were three wise men, but the Bible doesn't specify a number. We assume this based on the three gifts they brought—one gift per wise man.

How important it is to read the Bible carefully.
Have a look again at Matthew 2v11.

Herod then called for the wise men, and told them to find the child Jesus and then report back to him so he could go and worship the child as well! But he was lying! Herod only wanted to find Jesus, so that he could kill him.

34. The wise men left Jerusalem, found Jesus and worshipped him. Jesus was a few years old at this time. What gifts did the wise men bring for Jesus?

35. What were the wise men warned of by God in a dream?

36. After the wise men left, an angel appeared to Joseph. What did the angel tell Joseph to do?

Herod soon realized the the wise men had tricked him and had not retuned to tell him where Jesus was! He became mad and filled with anger.

About:

- Jesus lived here for a little while to escape Herod's evil decree.
- A rich area in the Roman Empire with fertile land and strong farming.
- We aren't told many details about their time in Egypt - Alexandria had a large Jewish population, and it's possible that Joseph could have found work there as a carpenter.

37. What terrible decree did Herod make? Matthew 2v16

38. How long did Joseph, Mary and Jesus have to stay in Egypt for? Matthew 2v15

It was not long before Herod died, and the angel of God once again appeared to Joseph in a dream. It was now safe for them to return to Israel. They did not go back to Bethlehem, but returned to Nazareth, where Jesus spent his childhood.

Read Luke 2v39,40.

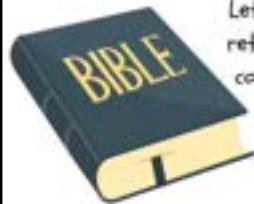

Finally, after their journey from Nazareth - to Bethlehem - to Jerusalem - to Egypt; they were able to return to their home in Nazareth.

39. Fill in the blanks: "And the child grew,
and waxed strong in _____, filled with
_____ : and the
_____ of God was upon him".

LESSON FOR US

The birth of Jesus Christ was the most thrilling event in the whole of history. His birth was a time of great rejoicing. We are now living at a time close to the return of Jesus. When Jesus returns it will bring even greater joy, especially to those who have been watching and waiting for him.

Let us read our Bibles every day to find out all we can about his return and talk with our parents about what will happen when he comes. The Kingdom of God will then become very real to us and we will enthusiastically look forward to it.

Read Luke 2v41-50.

Every year, Joseph and Mary would travel to Jerusalem at the feast of Passover. The Jewish people were slaves in Egypt a long time ago. God helped them to escape from slavery and Passover is a time to remember that. During Passover, they ate special food, sung songs, and said prayers. It was a time for families to be together and be thankful for their freedom.

40. How old was Jesus during this trip to Jerusalem?

41. When the feast of Passover had ended, Jesus stayed in Jerusalem (his parents thought he was with the other travelers going back to Nazareth). How long did it take to find Jesus? v46

42. Where did they find him? v46

43. What was he doing there? v46

"AND ALL THAT HEARD HIM WERE ASTONISHED AT HIS UNDERSTANDING AND ANSWERS"

44. When Joseph and Mary found Jesus, they said to him, "we were worried about you and have been searching for you, why did you do this to us?" What did Jesus say to them? v49

45. Did they understand what he meant? v50

WILDERNESS OF JUDEA

About:

- Judea's wilderness gets less than 2 inches of rain yearly.
- It's about 60 miles long and 13 miles wide.
- Water is rare, so finding it is tough. The land has little vegetation because of the scarce water and bad soil. It's rough and desolate, with dry rocks and few plants. The weather is severe, with hot days and cold nights.

Read Luke 2v52.

Jesus went back to Nazareth with Joseph and Mary and was obedient unto them.

In Nazareth, Joseph worked as a carpenter, supporting their busy family. It is likely that

Jesus learned from Joseph and worked as a carpenter too. Over time, Mary and Joseph had other children, including: James, Joses, Simon, Judah, and several sisters. Jesus was the eldest in the house, and he stood out as someone special. He had a special connection to spiritual matters which he inherited from his Heavenly Father. This allowed him to understand scripture with amazing depth and insight.

46. Fill in the blanks. "Jesus grew in _____ and in _____
and in _____ with God and all the people"

As Jesus grew older, he was curious and eager to learn about God, his Father, and the teachings of the Old Testament. Just like Jesus, we can follow his example by exploring and asking questions to understand more about God and his ways.

WILDERNESS OF JUDEA

30 years passed, and Jesus grew into a man.

30 years passed, and the world still had not heard the message that the angels had sung to the shepherds when Jesus was born.

30 years passed, and so far no one had become a follower of Jesus.

Do you know how God told his people they should follow His son Jesus?

God didn't use angels this time. Instead, **God used a man.**

This man was already teaching people about God's Kingdom. This man lived in the desert, and his name was...John! He was also Jesus' cousin.

Read Luke 3v1-18.

John had a special mission from God. He prepared himself in the wilderness for the great work God had chosen for him to do.

47. Read Luke 1v76-77. What was John's mission?

People listened to John and believed what he was saying. "**Get ready**" he called out to the people. "**Get ready for the Messiah who is coming**".

"What should we do to get ready?" the people asked.

"Search your hearts, turn back to God and change your lives".

The people did what John said and knelt down in the river to be baptized.

"Messiah", that is Jesus, was about to appear to Israel and start his ministry, by making himself known. John was to be the messenger who went on ahead, announcing to the people that their king was coming.

48. Who was the governor of Judea at this time? v1

49. Who were the high priests at this time? v2

50. John went into all the country around the Jordan river. What was he preaching? v3

51. What types of people came to be baptized of John? See verse 12,14

52. Who did all the people think that John might be? v15

53. Look up Mark 1v6. What did John the baptist wear? What did he eat?

John preached, "**repent ye: for the kingdom of heaven is at hand**".

It was time for the people to acknowledge their sins and change their ways.

If they agreed to do this, they would be ready to listen to their Messiah's message when he came.

About:

- Its total winding length is about 125 miles.
- It was clean and provided water for people and animals in the area. The riverbanks were probably green and full of plants because of the water.
- People also used the Jordan River for baptisms.
- Interesting events: The Israelites crossed the Jordan River on dry ground as God miraculously parted the waters. Naaman, the Leper, was healed in the Jordan River by the Prophet Elisha.

Read Luke 3v21-23.

The time had now come for him to begin his special work for God, his Father. John had prepared the people. He had taught them that the Messiah was coming, although they did not know who the Messiah actually was yet.

One day, as John was baptizing people, a man stepped forward out of the crowd and came to John. It was his cousin Jesus. John knew what kind of man he was. He did not know anyone more upright and Godly than Jesus. This was not the kind of person he was preaching to. His message was for the wicked and sinners, telling them to repent and be baptized. This man was not a sinner.

54. What did Jesus ask John to do? See Matthew 3v13.

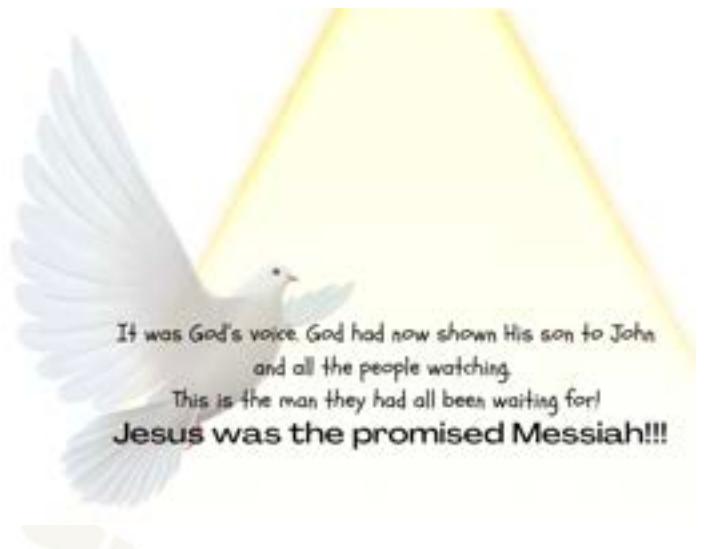

55. When Jesus was baptized, what wonderful thing happened when he came up out of the water?

56. What did the voice from heaven say?

57. How old was Jesus when he was baptized?

58. Have you ever seen someone be baptized? Ask a parent, grandparent or aunty/uncle why they got baptized, what happens and how did they feel?

59. What are some things we can do now to help us prepare for baptism?

It was God's voice. God had now shown His son to John and all the people watching.
This is the man they had all been waiting for!
Jesus was the promised Messiah!!!

God gave Jesus His special power, called the Holy spirit, to help him in all the things that God wanted him to do. Jesus was going to show the people wonderful miracles - he could heal sick people, make blind people see, and provide food for thousands of hungry people.

GOD'S WAYS ARE ALWAYS RIGHT

Jesus knew this and always obeyed his Father. He read the Bible every day and understood what God wanted him to do. **By being baptized, Jesus showed the people that his life was given to God and set an example for all those who wanted to change their ways.**

Why baptism? What does it do?

Read the following verses and write down what you learn about baptism.

60. Luke 3v3

61. Mark 16v15-16

62. 1 Peter 3v21

Read Luke 4v1-13.

Jesus was 30 years old when he started his ministry. **It was now time for him to begin doing God's work and preaching the good news of the Kingdom of God.**

63. Where did Jesus go straight after his baptism?

64. What led him into the wilderness?

65. How long did Jesus stay in the wilderness? verse 2

66. How did Jesus feel at the end of 40 days in the wilderness? verse 2

67. While Jesus was in the wilderness, he was tested 3 times.

Fill in the chart on the next page - what were the 3 things the tempter challenged Jesus to do, and what did Jesus say back?

"This is my
beloved son
in whom I am
well pleased."

Tempter's Question

verse 3:

verse 5-7:

verse 9-11:

Jesus' Response

verse 4:

verse 8:

verse 12:

68. Read verse 3 and 9 again. What was the tempter trying to prove?

He came to put Jesus to the test, to see how he would use the power God had given him. Jesus knew that God was his Father and that the power he had been given was to be used for God's glory, not his own.

DID YOU KNOW?

Every time Jesus was tested, he had an answer ready from the word of God!

All his answers came from Moses's words to Israel in Deuteronomy. You can read them in chapter 8v3; 6v16; 6v13.

God's words kept him strong under trial.

69. In everything we do, we must think about what would please God. We must think about the choices we make and do our best to please God, just as Jesus did. What are some ways we can be strong enough to do what God wants, just like Jesus did?

JORDAN RIVER

Read John 1v19-51.

John the baptist had lots of disciples, or “followers”, who listened closely to his words and followed him.

At this time, the Pharisees had sent priests and levites to question John - “who are you John, are you Christ, Elijah or a prophet”?

70. What did John reply back to them? Was he the Christ, or Elijah or a prophet?

71. Who did John say that he was?

In the next few verses, John the Baptist confirms he is not the Messiah, but declares Jesus as, “the Lamb of God who takes away the sin of the world”. John says that he saw the Spirit descending on Jesus like a dove, confirming Jesus as being the Son of God.

72. The day after this, while John was with two of his disciples, they saw Jesus walking by. What did John say about Jesus? v36

73. What did John's two disciples do after they heard this? v37

74. Jesus turned and saw them following him and said, “what are you looking for?” What did they want to know?

So they followed Jesus and saw where he was staying. They stayed with him that day. It was about 4pm.

75. One of the disciples who followed Jesus was Andrew. He was so excited about what John had said that he went and found his brother Simon and said, “**we have found the Messiah!**! When Andrew brought Simon to Jesus, what did Jesus say? What would Simon now be called and what does it mean? v42

76. The next day, Jesus went into Galilee. Who did he find? v43

77. What did Jesus say to him? v43

78. After Jesus said this, who did Phillip then go and find? v45

79. What did Phillip say to Nathanael about what he had found? v45

80. Did Nathanael eagerly follow Phillip to go and see Jesus, or have doubts?

81. Fill in the blanks to the words that Nathanael says. "Can there any _____ thing come out of _____?"

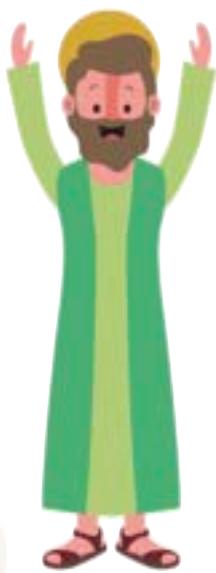

When Nathanael meets Jesus, **he talks to Nathanael and shows that he knows**

what Nathanael is thinking.

Nathanael is amazed, and realizes....

Jesus truly is the Son of God!

They were not officially Jesus' called out Apostles yet, **but they followed Jesus and listened to his teachings and watched his miracles. They became more and more convinced that he was the Messiah sent by God.**

SECTION 3: The ministry of Jesus begins

About:

- A small village located in the region of Galilee, which was part of the Roman province of Judea during the time of Jesus.
- Cana was not as prominent as some other cities like Jerusalem or Capernaum, but it played a significant role in the ministry of Jesus as the site of his first recorded miracle.

Read John 2v1-11.

Jesus had been anointed with the Holy Spirit power at his baptism. His disciples had not yet seen him use this power.

There was going to be a wedding in a town called Cana of Galilee. A wedding was a very happy time and sometimes lasted for days in Israel.

82. Who else went to the wedding with Jesus? verse 2

83. What happened to the wine while everyone was still enjoying the feast? verse 3

The wine had run out! The house was full of disgrace and dismay.

84. Mary asked Jesus to help. What did Jesus say to her?

85. Mary seemed to know in her heart that Jesus would help. What did she say to the servants?

86. What did Jesus tell the servants to do?

87. What happened to the water in the water pots?

88. What did the ruler of the feast say when he tasted the wine?

Joy and happiness filled the house again!

89. What did the disciples think when they saw the miracle at the wedding feast in Cana? verse 11

90. We don't see miracles like water changing into wine today, but God is still there in our life. What is something you can think of that shows to you that God does exist?

Each of Jesus' miracles held a deeper spiritual meaning. They weren't just flashy displays, but valuable lessons. He came to show God's glory to Israel, and the miracles were a way to do that. They showed his power and helped explain his teachings.

This miracle showed the people that Israel didn't have the **JOY** that only Jesus could give. They had to rediscover **JOY** in serving him.

About:

- Synagogue
- Jesus' headquarters
- Next to the Sea of Galilee
- Fishing town - lots of fishermen
- Busy marketplace
- Part of the Roman Empire, you might have seen Roman soldiers and important Roman people walking around.

Read John 2v12.

After the wedding in Cana, Jesus went to Capernaum for a little while.

91. How long did they stay in Capernaum?

92. Who stayed with him?

JERUSALEM

Read John 2v13-22.

The temple in Jerusalem was the second one that had been built.

The first temple built was Solomon's temple (1 Kings 5v5). This lasted about 400 years, but because of disobedience and idolatry, God sent the people as captives to Babylon. The Babylonians destroyed both Jerusalem and the temple.

God allowed some of them to return later and build a **second temple** (Ezra 5v2). This temple was restored and made bigger by Herod the Great! The temple, which took many years to build, was grand and beautiful, but it was for the glory of Herod rather than the glory of God.

Jews from all over the world came here to worship and keep the feasts.

93. What feast did Jesus go to Jerusalem for?

94. Instead of quiet and thoughtful worshippers, what was happening in the temple when he got there?

95. What did Jesus do when he saw what was happening?

96. What did Jesus say to the people? What were they making the temple? verse 16

97. The greedy traders in the temple courts had forgotten that the whole reason for people being there was to praise God! They started to make money out of those who came to worship. What does Proverbs 16v16 say is better than riches?

His startled disciples remembered the words of Psalm 69v9, "**“my zeal for your house has consumed me”**. These words spoke of Jesus' great love for his Father, which made him upset that God's people would treat His "house" in such a bad way.

Three years later, Jesus came to inspect his father's house again and found the same sort of behavior. Israel had not learned the lesson.

Read John 3v1-21.

Jesus stayed in Jerusalem for a while and did miracles among the people who crowded into the city. Many of them believed when they saw the miracles he did. The rulers of the Jews did not mix with the ordinary people. They stood apart, and watched from a distance. One of them however, watched what Jesus did and thought carefully about what he said.

The Pharisees were teachers of the Law and known for strictly following it. Most Pharisees were scribes or normal citizens. They were known for being proud and arrogant, and thinking they were better than others.

98. What was the name of the Pharisee who came to Jesus in the night?

99. In Matthew 23v27-28, what did Jesus say about the Pharisees?

100. Why do you think he chose to come and see Jesus in the night? Nicodemus appears three times in the Bible (John 3v1; 7:50; 19:39), and each time he is labelled as the man that "came to Jesus by night."

101. What did Nicodemus believe about Jesus? verse 2

102. What did Jesus tell him that a man must do if he wants to enter into the Kingdom of God? verse 5

103. Did Nicodemus understand what Jesus was saying? verse 4

Born of Water

A new way of life, when we realize that God is right in every way and we are the ones that have to change. Jesus is talking about **baptism**, putting on the new man.

Born of Spirit

Another new beginning, this time talking of that glorious change which we will experience when our bodies are **made immortal** - just like his! This will happen after the resurrection, when we have been judged.

So, to enter into **the kingdom of God** - we must read our Bibles every day and try hard to understand what God has written. We will only be ready for **baptism** if we do this. Our words and actions must become more and more like Jesus' too, because we are training to reign with him as "kings and priests" in **the kingdom of God**.

JORDAN RIVER

Read John 3v22-24.

After all these things, Jesus and his disciples came into the land of Judea.

104. What did Jesus start doing in the Jordan River in Judea?

105. What was John doing in the Aenon springs near Salim?

Read John 3v25-35.

There arose a question between some of John's disciples and the Jews!

106. What were they worried about?

John told them - **"I am very happy that people are following Jesus and listening to him! He was sent from God and is greater than I am and speaks God's words. My mission was to prepare the way for Jesus and now I must become less and less and Jesus must become greater and greater".**

About:

- Located in the region of Samaria, between Mount Gerizim and Mount Ebal.
- Shechem was likely a fortified city with walls and gates. People there came from different places, like Israel and other areas. But this mix of people caused some problems because they had different beliefs and ways of doing things.
- The Jews didn't always like them, so they would avoid passing through Samaria even if it was the quickest route. But then, something good happened! Jesus Christ came and brought hope to Samaria.

Read John 4v1-42.

Jesus knew that the Pharisees had heard that he was baptizing and making more disciples than John, so he left Judea and returned to Galilee. He had to travel through Samaria on the way. Eventually he came to the village of Shechem. Jesus was tired from the journey, so around midday he sat down by a well to rest.

107. A Samaritan woman came alone to the well where Jesus was sitting. What did Jesus ask her? verse 7

108. Where were Jesus' disciples? verse 8

The woman was surprised because the Jews usually refused to have anything to do with the Samaritan people. She said to Jesus, "you are a Jew and I am a Samaritan woman. Why are you asking me for a drink?"

109. Read v13-14 and fill in the blanks. Jesus said to the woman.

"Whosoever drinketh of this _____ shall _____ again. But whosoever _____ of the water that I shall give him shall never _____; but the _____ that I shall give him shall be in him a _____ of water springing up into _____ life".

The woman looked at Jesus thoughtfully. What did he mean? She replied, "Sir, give me this special water so that I will not be thirsty or have to come here to draw water again".

110. What "water" did Jesus actually mean? He didn't mean water from the well. Look up Ephesians 5v26.

Now that we know what "water" means, let's read that verse again and see what Jesus was actually saying to the woman.

"Whoever drinks of this water from this well will be thirsty again; but whoever listens to the Word of God that I will tell him, will never thirst again; the Word of God shall be in him a well of water springing up into everlasting life".

This means that whoever listens carefully to what Jesus was teaching, and receives it into their hearts, would be eternally satisfied. Never to be spiritually hungry or thirsty again.

Let's take a quick look at what the Word of God can do for us. Look up the following verse and fill in the blanks of what beautiful things happen if we let the Word of God into our hearts and let it guide our life.

111. Read Romans 1v16 - "The gospel is the power of God unto _____ to everyone that believes."

112. Psalms 119v105 - "Thy word is a _____ unto my feet, and a _____ unto my path."

113. Romans 15v4 - "Written for our _____, that we through patience and comfort of the scriptures might have _____."

114. Psalm 119v11 - "Thy word have I hid in mine heart, that I might _____ against thee."

115. Romans 10v17 - "So then _____ comes by hearing, and hearing by the _____ of God.". _____

116. Psalms 19v8 - "The statutes of the Lord are right, _____ the heart."

The woman was amazed by all the things that Jesus had told her and by the things that he knew about her. She thought he was a prophet.

117. How did Jesus say that true worshippers should worship God? verse 23-24

118. The woman believed in Christ, the Messiah, and that he was coming soon. She didn't know that she had been speaking to him already! Jesus then told her that **he was the Messiah!** The woman was amazed. What did she then do? verse 28,29

119. What happened in Samaria as a result of this woman's testimony? verse 39-42

The Samaritans believe.

"Now we believe, not because of your (the woman's) sayings; for we have heard him ourselves, and know that this is indeed the Christ, the savior of the world".

Jesus was bringing everyone together! Jew and Gentile!

REGION OF GALILEE

Read Luke 4v14-15.

Fill in the blanks. "And Jesus returned in the power of the

_____ into _____: and

there went out a _____ of him through all the region round about. And

he _____ in their synagogues, being

_____ of all".

NAZARETH

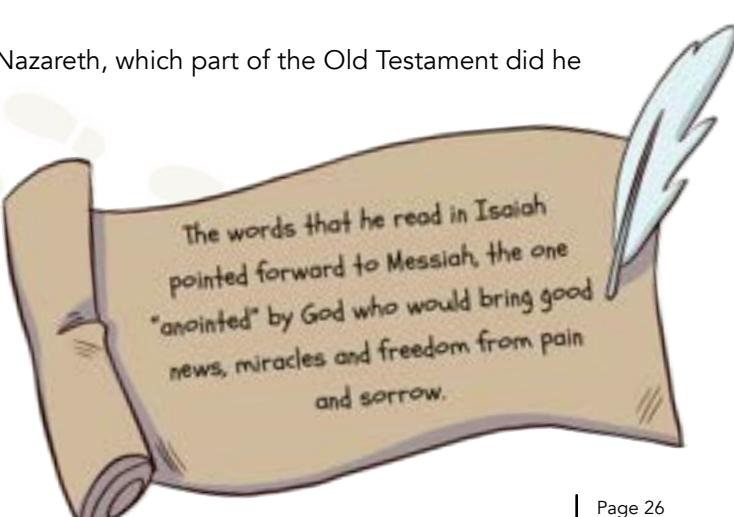

Read Luke 4v16-30.

Wherever Jesus taught in the synagogues, in the towns of Galilee, people praised him. He now came to the city of Nazareth where he had grown up. Everyone knew him there. They knew him as the son of Joseph, the carpenter.

It was this very thing that made it hard for the people of Nazareth to accept Jesus as the Messiah, the Son of God. No doubt, they had loved him as a boy. He now came back to teach them and they would not listen.

120. When Jesus stood up to read in the synagogue at Nazareth, which part of the Old Testament did he read from? verse 17

121. When Jesus sat down after reading from the scroll what did he say?
-
-

Jesus was telling them - this prophecy is coming to pass right before your very eyes!

122. Why were the people in the synagogue at Nazareth surprised when they heard Jesus speak?

123. Who was really Jesus' father?

124. Why did Jesus not do many miracles in Nazareth?

125. What two Old Testament prophets did Jesus remind them of while he was in the synagogue in Nazareth?
verse 25-27

Jesus reminded them of the story of **Elijah and Elisha**: prophets who were sent by God to help **faithful Gentiles**, because **God's own people would not listen!** The lesson was clear, very few people in Israel had believed the words of these prophets, and now a much greater prophet was there - Jesus, the Son of God. **How much more should they listen to the Son of God!** But the Jews in Nazareth were too proud to accept Jesus as the Messiah. Jesus was indeed the Son of God, but to them he was just the carpenter's son who they knew as a boy. So they shut their minds and would not believe in him. **They did not like being reminded that God would show more kindness to a Gentile who shows faith, than a Jew who doesn't.**

126. How did the people react after they heard these things? verse 28

127. What did they try to do after Jesus finished speaking in the synagogue at Nazareth? verse 29

128. How did Jesus avoid being thrown down to his death at Nazareth? verse 30.

What an amazing miracle! He just walked right through the middle of the angry crowd.

129. How should we act when we are told off and told to change our ways?

It is easy to act like those people in Nazareth, and refuse to listen when we are told off. Sometimes we shut our ears when our parents are pointing out what we have done wrong. They are trying to teach us right ways and we must not be too proud to listen. It is all preparing us to be obedient children of God. We need to listen to our parents and teachers as they teach us the word of God, otherwise God will not work in our lives.

CAPERNAUM

After his sad visit to Nazareth, Jesus made his way to Capernaum. He stayed there for some time and performed many miracles.

On the sabbath day, people gathered in the synagogues to hear the reading of the Law of Moses and the Prophets. Jesus went to the synagogue and taught the people. Here, the people of Capernaum

listened intently, unlike in Nazareth. The people of Capernaum understood that Jesus was a teacher, who could really help them understand God's ways, and they were excited about it.

Read Luke 4v33-37.

130. What suddenly happened while Jesus was teaching in the synagogue? verse 33-34

131. What did Jesus say to the man who called out loudly in the synagogue? verse 35

132. What happened to the unclean spirit? verse 35

133. How did the people react when they saw this? verse 36

"And the fame of him went out into every place of the country round about"

Read Luke 4v38-39.

134. Where did Jesus and his disciples go when they left the synagogue? verse 38

135. What was wrong with Simon's mother-in-law? verse 39

136. How did Jesus help Simon Peter's mother-in-law?

137. Who came to Jesus at sunset? What did Jesus do for them?

138. The next day, Jesus got up to leave Capernaum. Lots of people sought him. What did he tell the people he had to do?

Jesus did indeed have the power of God, but he was a man like us, who grew tired and needed rest. He made sure that he had quiet time to pray to his Father. Prayer to God is something we must learn to do as we grow up, giving Him praise and thanks for everything.

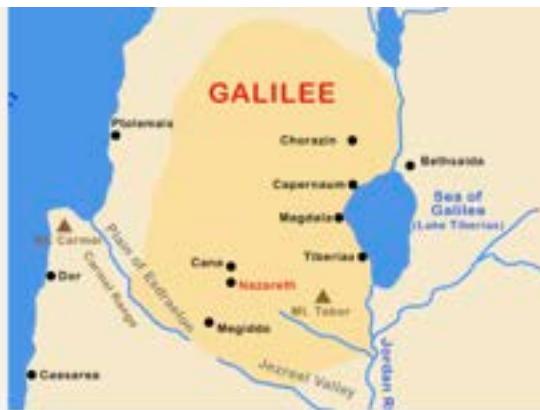

REGION OF GALILEE

About:

- Upper Galilee had tall mountains averaging 4,000 feet, while Lower Galilee had smaller hills about 1,000 feet high. Lower Galilee included the very fertile Plain of Esdralon and the Valley of Megiddo.
- Key cities in Galilee mentioned in the Bible were Nazareth, Cana, Capernaum, and Caesarea Philippi to the north.
- Fishing was important around the Sea of Galilee, with many of Jesus' disciples being fishermen. Agriculture thrived due to the fertile land supporting various crops.

Matthew 5-7:

Lots and lots of people followed Jesus from all areas of Israel. So Jesus went up into a mountain! Those who were truly interested in what he had to say went up into the mountain with him. It was a quiet place **where they could really focus on what he had to say.**

Matthew 5,6 and 7 is known as the "sermon on the mount". It's all about **becoming citizens of God's kingdom**. He lays out his expectations to people who want to be a part of it. Jesus explains in his message the **important things we should do to be real followers of him in our lives.**

A key theme in his message is: "**the kingdom/kingdom of heaven**" 4v17,23; 5v1,3,10,19,20,35;6v10,13,33; 7v21. You can color this in in your bible if you would like.

Jesus message can be broken up into 5 sections:

Section 1

Matthew 5v1-15

Section 2-4

Matthew 5v17-48
Matthew 6v1-18
Matthew 6v19-34

Section 5

Matthew 7

WHY Jesus is telling this message and **WHY** we should care

HOW a believer is meant to act

WHAT a believer needs to do as a result of hearing this message

Section 1

Matthew 5v1-15

WHY Jesus is telling this message and WHY we should care

towards others.

In section 1, Jesus is telling this message to explain to his disciples what it means to live as followers of him. We should care about these teachings because they offer guidance on how to live a life that honors God. Jesus is saying that our actions and our attitude are very important - they show God to the world and can have a big impact in what others think about Him.

Jesus says this is WHY this message is so important!

Jesus doesn't start his message with a list of, "this is what you need to do", but rather with a description of, "**who you need to be**". If you develop the right characteristics, the right actions will naturally flow from them. For example - if you focus on being kind, you will naturally find yourself being more compassionate and understanding

If we live like this	we will be rewarded like this
Blessed are the poor in spirit	For they shall inherit the earth
Blessed are they that shall mourn	For they shall be filled
Blessed are the meek	For their's is the kingdom of heaven
Blessed are they which do hunger and thirst after righteousness	For they shall see God
Blessed are the merciful	For their's is the kingdom of heaven
Blessed are the pure in heart	For they shall be called the children of God
Blessed are the peacemakers	For they shall obtain mercy
Blessed are they which are persecuted for righteousness sake	For they shall be comforted

139. Jesus lists some qualities that are valued in a follower of him. Match the future blessings.

"Blessed"

Means feeling happy and content because God loves you, even if things around you aren't perfect.

Whatever situation we are going through in our life, we need to remember the glorious future that awaits us if we are found faithful.

Ye are the salt of the earth: verse 13

Salt makes food tasty and stops it from going bad. If salt doesn't taste like salt anymore, it's not useful. What's the point of salt in a recipe if it doesn't make a difference in the taste? Jesus is saying, what's the point of us being a disciple of Jesus if the person sitting next to us at work/school doesn't know we are? We need to be helpful and useful in preserving God's plan with the earth.

140. If we don't have salt, we are not useful. God's plan is to fill the earth with people who are LIKE HIM and ACT LIKE HIM. How can we make sure that we are staying salty?

Ye are the light of the world: verse 14-16

Jesus compares his followers to a bright light in a dark world. Just as a city on a hill or a lamp in a house cannot be hidden, we shouldn't hide that we are followers of Jesus. It's like trying to hide a light, which is impossible. Even a tiny light can be seen from far away. When we stand out because we're different, we need to remember that others are watching us. If our actions don't match what we say, people will notice, and it's not our reputation that gets hurt, but God's. When others see how we behave, they'll see God's goodness and praise Him.

STOP & THINK!

Do we stand out like a light?

Does the world see that we are different?

Are we always looking for opportunities to share our hope?

Do we ever avoid situations that provide an opportunity for us to let our light shine?

141. What are some ways we can make sure our light keeps shining bright?

In Section 2, Jesus goes on to say, "**it is important to obey all of God's laws, but you really need to understand the meaning behind them**".

Jesus talks about how God wants people to be truly good, but many of the religious leaders of his time were more concerned with looking good on the outside, than being good on the inside. These leaders knew a lot about the rules in the Bible, but didn't understand their real meaning. They focused on following rules without letting them change how they acted or felt inside.

It's not simply about avoiding sin, it's about pursuing Godliness.

Focus on Godliness from within. Get your heart and mind right.

Jesus says this is HOW you do it.

- **Instead of this:** "Thou shalt not kill; and whosoever shall kill shall be in danger of the judgement". verse 22
- **Jesus says do this instead:** let go of anger and forgive others.

Section 2-4

Matthew 5v17-48

Matthew 6v1-18

Matthew 6v19-34

HOW a believer is meant to act

- **Instead of this:** "Thou shalt not commit adultery." verse 27
- **Jesus says do this instead:** remove the sources of lust that lead to adultery.

- **Instead of this:** "Whosoever shall put away his wife, let him give her a writing of divorcement." verse 31
- **Jesus says do this instead:** remain committed to the covenant that you made.

- **Instead of this:** "Thou shalt not forswear thyself, but shall perform unto the Lord thine oaths." verse 33
- **Jesus says do this instead:** do what you say!

- **Instead of this:** "An eye for an eye and a tooth for a tooth." verse 38
- **Jesus says do this instead:** give of self for others.

- **Instead of this:** "Thou shalt love thy neighbor, and hate thine enemy." verse 43
- **Jesus says do this instead:** treat others as God treats us.

142. What can you learn from this section?

Section 2-4

Matthew 5v17-48
Matthew 6v1-18
 Matthew 6v19-34

HOW a believer is meant to act

In section 3, Jesus addresses why are we doing the things we do. Is our motivation in the right place?

Are we doing things to be praised by men or for the glory of God?

We need to make sure we are doing the **right things** for the **right reasons**!

Jesus says this is HOW you do it!

Read verse 1-4:

143. What does "alms" mean? use a dictionary for help.

Jesus says don't do this: don't do your acts of love in a busy street so that everyone around you praises you!

144. **What does Jesus say you should you do instead?** verse 3,4

Read verse 5-8.

Jesus says don't do this: don't pray standing in busy streets and the synagogues where everyone can see you, don't talk too much with little meaning!

145. What does Jesus say you should you do instead? verse 6

So, Jesus teaches the people how **YOU SHOULD** pray:

Look at the breakdown on the next page, and then write your own prayer out following Jesus' example.

THE LORD'S PRAYER

**Our Father which art in heaven,
Hallowed be Thy name,
Thy kingdom come,
Thy will be done in earth, as it is in heaven.**

**Give us this day our daily bread,
And forgive us our debts,
as we forgive our debtors
And lead us not into temptation,
but deliver us from evil.**

**For thine is the kingdom, and the power,
and the glory, for ever, Amen.**

Start with addressing God

- His name is great, His kingdom is coming and His plan with the earth is great.

3 requests relating to us

- present (physical needs)
- past (spiritual needs)
- future (protection from temptation)

Finish by addressing God

- He has the power to hear and answer our prayers.

146. Write your own prayer using the guideline Jesus gave us:

Start with addressing God:

Past: _____

Present: _____

Future: _____

Finish by addressing God: _____

Read verse 16-18:

147. What does "fasting" mean? use a dictionary for help.

Jesus says don't do this: don't change your face so that it looks like you are fasting, when you aren't really (they would not wash their face or hair, making themselves look sick and unkept. Even putting ashes or dirt on their faces, to outwardly look like they were fasting)!

148. What does Jesus say you should do instead? verse 17

149. What is the reward for the people that do these things for the glory of men? verse 2,5,16

150. How will we be rewarded if we do the things Jesus says? verse 4,6,18

"They already have their reward"

the praise of men and nothing more

"You shall be rewarded openly"

eternal reward of the Kingdom of God. This will be a public reward, which will be witnessed by the angels in heaven

151. Should the reward be our main motivation in our service to God?

STOP & THINK!

Do we do our good deeds and our ecclesial duties when we know other people are watching?

Do we always tell people about all the good things we are doing so they will think that we are amazing?

We should strive to follow God's ways, motivated by our love for Him and our desire to please Him, rather than just seeking rewards. The true motivation for our actions comes from the love in our hearts.

In section 4, Jesus says, "don't be distracted by all the temporal things in life - **we can't be seeking two different things**".

We need to make sure we are seeking the kingdom first!

Jesus says this is HOW you do it.

First, where is our treasure?

152. Where does Jesus say we should NOT get treasures from? verse 19

153. Where SHOULD we gather treasures from instead? verse 20

154. Fill in the blanks. "Where your _____ is there will your _____ be also". verse 21

155. Jesus says we cannot serve two things. We cannot be seeking after worldly things, while also trying to follow God. What will happen if we try to do this? verse 24

Section 2-4

Matthew 5v17-48

Matthew 6v1-18

Matthew 6v19-34

HOW a believer is meant to act

If we focus on treasure on earth – it affects our heart – leads us to ungodly things
If we focus on treasure in heaven – it affects our heart – leads us to Godly things

Jesus is simply saying... don't make your focus on getting lots of stuff here on earth, because it can easily get ruined or taken away. It won't last and won't help us to the kingdom.

Instead, focus on doing good things that make God happy and help with His plan with the earth. Those good things are like treasures that stay safe forever. These things have lasting value and bring eternal rewards.

There is nothing wrong with having these things
- it's a problem when it becomes our focus and
distracts us from the things of God.

156. Can you think of any examples of treasures in heaven and treasures on earth? I've written a few to help you get started. Proverbs 2v1-5 gives us some ideas of treasures in heaven.

Treasures in Heaven	Treasures on Earth
Helping others	Money

STOP & THINK!

Do we place as much value on the Word of God as we do to our most valued possession?

Are the things of God a "treasure" to us?

Do we seek after the things of God with excitement?

What are we seeking for?

Jesus reassures his followers that God knows their needs and will provide for them. He encourages them to **seek first the kingdom of God and His righteousness**, trusting that God will take care of their needs.

Who do we put our trust in? If it is ourselves then we will always worry because there are so many things we have no control over.

We should put our trust in God because He has power over all things and will always do what is right.

Jesus says this is HOW you do it.

157. Read verse 31. The word "thought" means anxious care/stress. What should we not stress about?

158. Why should we not stress about these things?

159. What should be our focus? verse 33.

160. How can you make sure that God's kingdom is your top priority in life?

Why do our belongings, clothes, or food preferences matter when we have the amazing chance to be part of God's everlasting kingdom? Let's make that our focus.

To put "God's kingdom first" means to choose things that would please God above everything else.

STOP & THINK!

It is so important to have a vision of the kingdom! It motivates us and helps us make Godly decisions every day.

161. What does Proverbs 29v18 say about having a vision of the kingdom?

162. Do you have a vision of the kingdom? What is something that you look forward too? Do you have a bible character that you

would like to talk too?

Section 5

Matthew 7

**WHAT a believer needs to
do as a result of hearing
this message**

In section 5, Jesus talks about the personal steps that a person needs to go through if they want to seek first the kingdom and are willing to **actually do something with the message that Jesus delivered.**

It's all about hearing vs. doing

Jesus says this is WHAT you need to do!

There are a lot of parables in this section, but let's focus on the parable of the two builders. Jesus ends his sermon with this parable because the **wise man did something about what he had heard!**

Jesus knew that some people would listen to what he said, and then go away and wisely do what he had told them. Others would listen to what he said, but foolishly would not do as he told them.

Read verse 24-27.

Jesus said that the people who heard his words and obeyed them were like a wise man. But the people who heard his words, but did not do as he said, were like a foolish man!

163. What does the wise man build his house on? verse 24

164. What does the foolish man build his house on? verse 26

165. On the next page, draw what happened to the houses when the storm came.

The Wise Man

The Foolish Man

166. Read Psalm 127v1. Who should "build" our house? If we don't do this then we are building our house just like the foolish man and our house will fall down.

Lesson

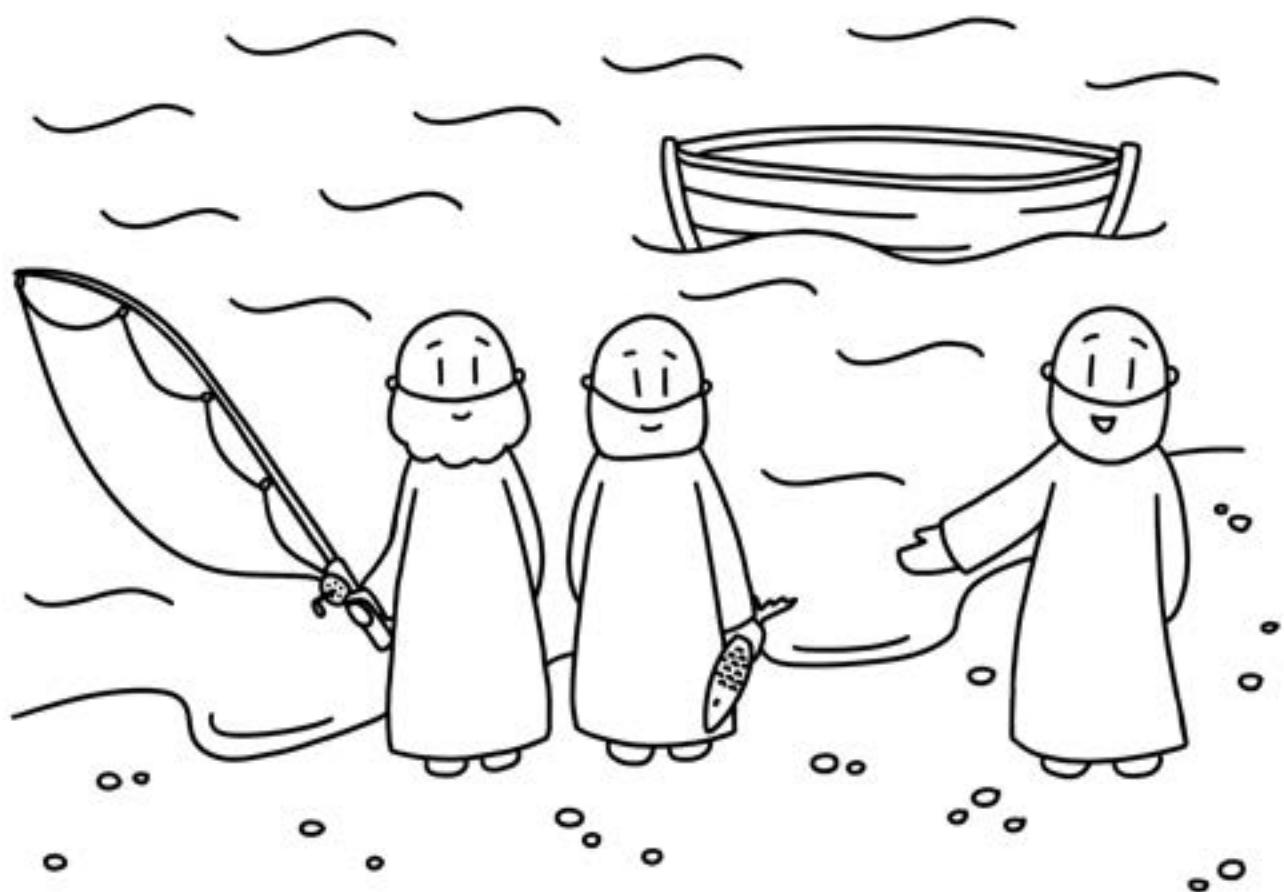

Those who hear Jesus' words and put them into practice are like the **wise builder** who builds on the rock. Their lives are grounded in the truth, which provides stability and security, even in the face of life's storms.

Those who hear Jesus' words, but do not put them into practice, are like the **foolish builder** who builds on sand. Their lives lack a solid foundation and are vulnerable to collapse when challenges arise.

This parable should encourage us to not only hear Jesus' teachings, but also to apply them in our lives. By building our lives on the **foundation of faith and obedience to Jesus**, we can withstand the trials and difficulties that come our way.

167. How did the people react when Jesus had finished all these teachings to them? v28,29.

"Follow me,
and I will make
you fishers
of men!"

168. Write down some things you have learned from the Sermon on the Mount in Matthew 5-7 about being a disciple of Christ? What are some things you can do in your life that can help you be a better disciple?

Let's take all these things Jesus has taught us and put them into our hearts and minds to consistently strive to change. That way when our Lord returns he can say, "well done thou good and faithful servant, enter thou into the joy of my Lord."

GALILEE

Read Luke 5v1-11.

One day as Jesus was preaching on the shore of the Sea of Galilee, great crowds pressed in on him to listen to what he had to say. He noticed two empty boats on the edge of the water. The fishermen had been out all night fishing and had not caught anything. They were now on shore washing and mending their nets. Jesus stepped into one of the boats.

169. Whose boat did Jesus enter into? verse 3

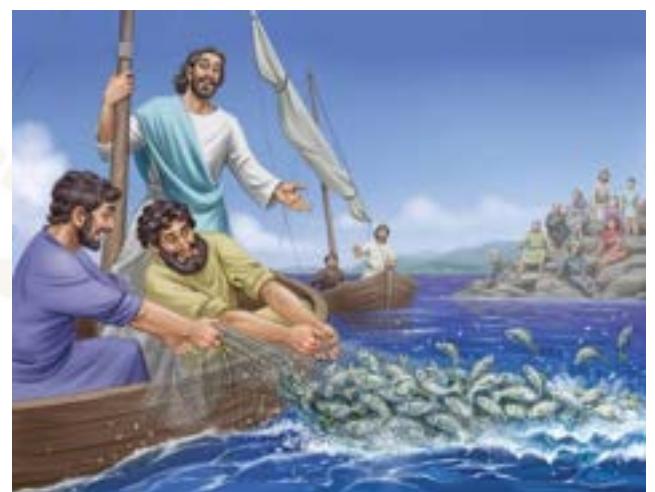

170. Why did Jesus get into the boat? verse 3

171. After Jesus had finished speaking to the people, what did he tell Simon to do? verse 4

172. What did Simon say to Jesus? verse 5

173. What happened after they let down their nets? verse 6

174. Simon and Andrew called to James and John to help. Soon there were so many fish that both boats began to sink. **They saw at once that it was a miracle.** What did Jesus say they would catch from now on? v10

175. What do you think this means?

176. What did Simon, Andrew, James and John then do? v11

If they were going to follow Jesus, they must put everything else aside. Jesus was the priority. This is true discipleship. Jesus told them not to fear, "from henceforth thou shalt catch men". They could trust that God would provide for their needs, as shown by this miracle. Their work now was with people, passing on the lessons that they learned from Jesus and helping him in his mission.

Read Luke 5v12-16.

When Jesus was teaching in a certain city, a man with leprosy came up to Jesus!

177. What did the man with leprosy DO when he saw Jesus?

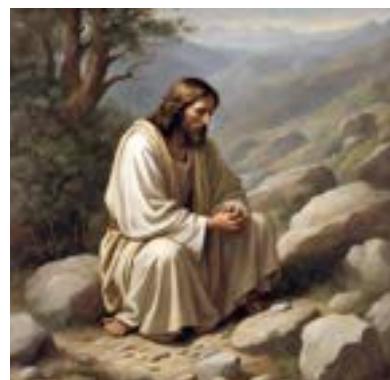

178. What did the man SAY when he saw Jesus?

179. How did Jesus cure him of his leprosy?

180. What did Jesus tell the man to do after all these things happened?

181. The name of Jesus became more and more popular. Crowds gathered to hear his message and to be healed. He withdrew himself to the wilderness. What did he go there to do?

CAPERNAUM

Read Luke 5v17-26.

182. One day, Jesus was teaching in a house. Who was there listening? verse 17

183. What was present with Jesus? verse 17

184. Some men brought their paralyzed friend to be healed, but the house where Jesus was staying was so crowded they couldn't get in. Refusing to give up, what did they do? verse 19

185. Jesus saw that they had great faith. What did he say to the paralyzed man? verse 20

186. The Scribes and Pharisees began to reason among themselves. Fill in the blanks. "Who is this which speaketh _____? Who can _____, but _____ alone?" verse 21

But Jesus said, "Is it easier to say to this man, '**your sins are forgiven**', or to say, '**get up and walk**'? The Son of Man has authority on earth to forgive sins".

The scribes and pharisees knew Jesus was claiming to have God's power. If he healed the paralyzed man, it would show he could forgive sins too. It's no harder to heal the man than to say, "Your sins are forgiven."

187. What did Jesus then tell the paralyzed man to do? v24

188. What an amazing miracle. How did the man react to being healed? v25

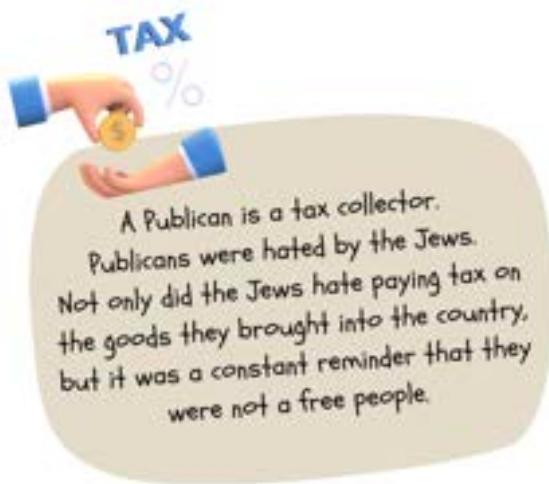

189. How did all the people in the house react to seeing this miracle? v26

Read Luke 5v27-32.

Jesus' disciples are all called at different points during his ministry. Up to this moment in Jesus' ministry, he had only specifically chosen 6 disciples by name: Philip, Nathanael (Bartholomew), Andrew, Peter, James and John. Now, Levi is called out to follow Jesus.

190. Where was Levi sitting?

191. What is Levi called? v27

A Publican is a tax collector. Publicans were hated by the Jews. Not only did the Jews hate paying tax on the goods they brought into the country, but it was a constant reminder that they were not a free people.

192. What did Jesus say to him? v27

193. What did Levi do? verse 28

194. What did Levi do for Jesus in his own house? verse 29

195. Who was at this great feast? verse 29

196. What did the scribes and Pharisees murmur about? verse 30

197. Fill in the blanks. Jesus said to them, "I came not to call the _____, but _____ to _____."

Basically Jesus is saying, "I'm here to help sinners change their ways, not those who think they're already good."

This statement reveals Jesus' mission during his ministry. He's highlighting that his teachings are primarily for those who realize they need to repent and grow spiritually, not for those who believe they are already righteous and don't need to change.

Jesus focuses on connecting with people who acknowledge their faults and are ready to leave sin behind, embracing a journey of repentance and change.

Read Luke 6v6-11.

On the sabbath day Jesus enters into the synagogue in Capernaum so that he could teach the people. The Sabbath day was a day of rest and worship that occurred once a week. The Sabbath was a holy day and was meant for rest, reflection, and spending time with family and community.

198. The commandment to keep the Sabbath as a day of rest and worship is found in Exodus 20 verse 8-11.

What do these verses tell us about what you should not do on the Sabbath day?

199. Who was there in the synagogue listening to Jesus' teachings? v6

200. The scribes and Pharisees were always watching to see if Jesus would do something wrong so they could get him in trouble. They were jealous of Jesus. What were they waiting to see if Jesus did? v7

Jesus knew exactly what the scribes and pharisees were thinking! They wanted him to heal this man, because if he did, they felt they had cause to accuse him of breaking the law. He was saddened that these people could be so nasty and decided to teach them a much needed lesson.

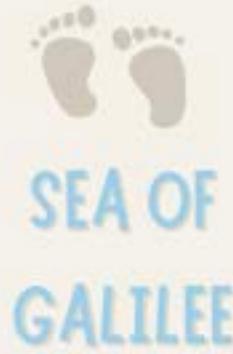

201. What did Jesus **say** to the man with the withered hand? v8

Then Jesus said to everyone watching, "what is better to do on the Sabbath - to do good or evil? To save life or destroy it". What a question! By saying this, Jesus showed that he knew exactly what the scribes and Pharisees were thinking. They only had evil thoughts in their heart and they couldn't blame Jesus without admitting their own guilt.

202. What did Jesus then **say** to the man with the withered hand? verse 10.

203. What happened to the mans hand? verse 10

204. How did the scribes and Pharisees react? v11. Jesus simply spoke and didn't even touch the man! Even a Pharisee couldn't claim that speaking broke the law.

About:

- It's a freshwater lake about 8 miles (13 km) wide by about 12 miles (19 km) long, and 150 ft. (46 m) deep.
- Many people fished in the lake for food and work.
- People used the lake to travel from one place to another. It was an easy way to get to other cities around the lake.
- Jesus did special things like walked on the water, calmed the storm and taught near the lake.

Jesus then left the synagogue and continued preaching throughout Galilee. People from Galilee, Judea, Jerusalem, Idumea, beyond Jordan, Tyre and Sidon followed him. They had heard what great things he did.

Read Luke 6v12-16.

205. Read Luke 6v12. What did Jesus go up into the mountain to do?

206. What did he then do when it was morning?

We are about 1.5 years into the ministry of Jesus, and he just now officially chooses his disciples. He had told certain people to "follow him", but they weren't officially Apostles yet. Jesus chooses 12 disciples to closely hear his words and see his miracles. He began to prepare these men for the time when he would be taken from them, and they would have to carry on the work of spreading the gospel without him.

They were probably not the sort of men the world would choose for its leaders. They diligently studied the Bible, but they were not rich or highly educated. Jesus however, knew they were true and sincere men with the potential to become leaders of the ecclesia. Jesus was the best teacher they could have. What an amazing privilege these men had to work so closely with Jesus and be his friends.

207. What is a disciple?

208. What is an apostle?

209. **Fill out the chart** to find out the names of all the disciples that Jesus called to follow him and help in his amazing work. Some of the gospels call men by a different name than others. Some tell us more about one of them. For example, what his last name was, or whose son he was. But all of them list all 12.

Look through the references, and write what each apostle is called and what other information is given about him. Simon and Andrew are done for you.

The lists of the apostles are found in: **Matthew 10:2-4; Mark 3:16-19; Luke 6:13-16; Acts 1:13,26**

Name of Disciple	Notes	Reference	Occupation	Reference
1. Simon (Peter) 2. Andrew	Brothers	Luke 6v14		Luke 5v1-11

210. In Matthew 10v1. What were the apostles given to help them convince others of their message?

211. In Mark 3v14-15. What would the apostles mission be?

212. Read Matthew 19v28. What reward did Jesus offer the 12 apostles?

213. Read Matthew 19v29. What shall we have if we forsake all and follow Jesus?

It is certainly a privilege to be a disciple of Jesus. As we learn his ways and listen carefully to the word of God, we will realize more and more as we grow up that it is the way to true happiness. As faithful disciples we must forsake anything that cannot be used in service to God. The world offers so many distractions that can pull us away from God's way, but nothing can compare to what God has in store for those who love and obey Him.

Read Luke 6v17-49.

Jesus came down the mountain with his chosen twelve disciples and stood in the plain. Many of his followers and people from Judea, Jerusalem, and the coastal areas of Tyre and Sidon gathered around. They came to listen to him and to be healed of their diseases and unclean spirits!

Jesus then teaches the people with many parables and gives them lots of things to think about, and learn from regarding how to be a true disciple. He encourages them to be merciful, non-judgmental, generous and to **build their life on a firm foundation that is rooted in Christ.**

CAPERNAUM

Read Luke 7v1-10.

Once again, Jesus came into Capernaum. As usual everyone in Capernaum was happy to know Jesus was back there again and they were all talking about him. In Capernaum there lived a centurion - a Gentile.

214. What was wrong with the Centurion's servant? verse 2

215. What did the Centurion ask the elders of the Jews to do because his servant was ill?

When they came to Jesus, they told him that the Centurion was a good man. He had done a lot to help the Jewish people and even had a synagogue built for them, to help them worship their God. Most of the Romans hated the Jews and treated them badly.

216. What message did the Centurion send when Jesus was near his house?

Roman Centurion

- An important Roman soldier, who was in charge of a group of 100 soldiers, called a "century".
- People looked up to centurions because they were really good at leading and fighting in battles.
- Some centurions were nice to the Jewish people. They respected different cultures and beliefs.
- If centurions did a great job in battles, they got special rewards like medals, money, or even land.

The centurion felt that Jesus was so much better and greater than he was. He did not even feel worthy to come out and meet Jesus himself. The Centurion had command over 100 soldiers - he spoke and they did what he said. In the same way, the Centurion understood that Jesus had authority from God and when he spoke, his words would be obeyed.

217. When Jesus saw that the centurion had great faith in him, what did he say? verse 9

218. When the friends of the Centurion returned home, what did they find had happened? verse 10

The Roman Centurion had great FAITH that Jesus could heal! We must have this same faith too. Faith that Jesus is caring for us and faith that he will return and set up God's Kingdom. Not many Romans believed in Jesus, but this Centurion did and wasn't afraid to show his faith.

We must also be willing to show our faith to those around us too.

219. What does Hebrews 11v6 tell us about faith? What is impossible without faith?

NAIN

About:

- Nain was a tiny village located in the hilly countryside of Galilee, within the Roman province of Judea.
- The people here lived simple lives, often working in agriculture or small trades.
- It was likely a close-knit community where everyone knew each other.

Read Luke 7v11-17.

Jesus went to many places all over the land of Israel, preaching the Gospel and showing God's power by the miracles that he did. One day he came to a city called Nain. He had many of his disciples with him and a crowd of people followed him.

220. What did Jesus see at the gate of the city in Nain?

221. Jesus had compassion on the widow as it was her only son that had died. What did Jesus say to the widow? verse 13

222. Jesus touched the coffin. What did Jesus say to the dead man? verse 14

223. What happened after Jesus said this to the dead man? verse 15

224. The people recognized the power of God! What did the people in the crowds say after Jesus had raised the dead man at Nain? verse 16

225. What will happen to the dead people, who have loved and obeyed God, when Jesus comes back to earth to set up God's Kingdom? See 1 Corinthians 15v52.

Jesus had feelings like you and me. He could tell just how people felt and what they needed most. When he returns to the earth, he will raise all his dead ones to life again. Many will rise to live forever, and Jesus will wipe away the tears from their eyes, for the

time of God's righteous Kingdom on earth will be a time of joy and happiness. Those who love and obey God now, will share the happiness of that coming Kingdom.

GALILEE

Read Luke 7v18-35.

In one of the dungeons of Herod's palace, John the Baptist lay in prison. He had dared to oppose King Herod's marriage and had been put into prison. Occasionally, he was allowed visitors, and his disciples sometimes visited

him. They told him of the prophet of Nazareth whom he had baptized in the Jordan his cousin Jesus', who was gathering great crowds, and performing amazing miracles.

John the Baptist did know Jesus was the Messiah. However, while he was in prison, his faith wavered and he had some doubts. So, John sent his disciples to ask Jesus if he really was the Messiah or if they should expect someone else.

226. How did Jesus respond to John's disciples question? It was a very convincing response. He didn't speak, he just acted. Verse 21

John's disciples then left and reported back to John what they had seen Jesus do, and what he had said to them.

Jesus praises John, saying that he was an incredible prophet and was fulfilling prophecy! But he warns them, that even if someone as courageous, bold and confident as John the Baptist could have doubts under trial, then it's crucial for everyone to seek God's help and strength to avoid stumbling.

227. When we go through a hard time and our faith becomes weak, what are some ways that can help us stay strong?

Read Luke 7v36-50.

Among the people listening to Jesus was a Pharisee who carefully observed all that Jesus said and did. His name was Simon. Simon was proud and self-righteous, but he was impressed with the miracles and the teachings of Jesus and wanted to get to know Jesus better. So Simon invited Jesus to have a meal with him. Jesus said yes, and followed him into his house. Simon made it very clear that he was not a disciple of Jesus.

228. There was a woman in that city. What title is she given and what is she called? verse 37

229. When she knew that Jesus was having a meal in the Pharisee's house, what did she bring? verse 37

The woman showed humility and recognized the incredible privilege it was to be in Jesus' presence. As she gazed at him and reflected on her sinful past, feeling a deep need for forgiveness and a desire for a better life, she began to cry. Tears of repentance streamed down her face, washing Jesus' dusty feet.

230. What things did she do with this precious ointment?
verse 38

231. What was Simon thinking to himself? verse 39

Simon said these things to himself! But Jesus knew what he was thinking, and told him a story to help him understand.

There was a man who had two people that owed him money.

- ◆ First person - owed 500 pence
- ◆ Second person - owed 50 pence

When they had no money to pay him back, he **forgave them both!**

232. Jesus asked Simon, "which of these two people did the man love the most?"
What did Simon say? verse 43

Jesus explains to Simon, that this woman who was known as a sinner - showed more love and kindness to Jesus than Simon had. In those days, it was usual for hosts to greet their guests with a kiss, to anoint their heads with oil, and to wash their feet.

233. Had Simon done that for Jesus? verse 45,46

Simon thought Jesus might be a prophet and felt he was honoring him by hosting a meal. He cared more about his reputation and was only curious about Jesus, rather than truly following him. Simon didn't even have the love to greet Jesus properly!

Jesus looked past the woman's bad reputation and saw her deep desire to be forgiven by God. He saw her genuine and deep love.

Jesus then says to Simon.

"Her sins which are many are forgiven, because she **loved much**, but to whom little is forgiven, the same **loveth little**".

This simply means that the woman forgiven of her sins was more valued than the Pharisee, who practiced religion, but lacked genuine compassion and love.

234. What did Jesus then say to the woman? verse 48

235. The rest of the people who were in the house began thinking to themselves. What were they thinking?
verse 49

236. What had saved the woman? verse 50

237. What is something you can take away from this story?

Read Luke 8v1-3.

Shortly after the incident at the house of Simon, Jesus travelled from town to town and village to village teaching and preaching. The twelve disciples went with him everywhere, learning by personal experience, lessons that they would be able to apply when they were out on their own.

238. What was he teaching and preaching? verse 1

239. His twelve disciples were with him. Who else was with Jesus? verse 2-3

These women came from diverse backgrounds but shared one thing: **following Jesus and supporting his ministry.**

As sisters in Christ, we should value the privilege of encouraging and assisting others in their journey of faith. This influence has helped shape the characters of individuals like Moses, Samuel, David, Josiah, Paul, and many more.

Read Luke 8v4-8.

A great crowd of people came to hear him teach, Jesus found that the best thing to do was to sit in a boat and speak to the people from the water.

Jesus spoke many parables to the people

A parable is a story with a hidden meaning and a spiritual lesson

The parables were not always easy to understand.

Jesus wanted people to think hard and study God's word to find the meaning.

"It is the glory of God to conceal things, but the glory of kings is to search things out".

Proverbs 25v2

One of the parables which Jesus taught the people was about a farmer who went out to sow seed. He was called a "sower". He did not have a machine to plant his seed. He just spread the seed by throwing handfuls to the left and to the right as he walked through the field.

Rocky Ground

What happened to the seed that the Sower scattered?
verse 6

This ground is like this kind of people: verse 13

The Wayside

What happened to the seed that the Sower scattered?
verse 5

This ground is like this kind of people: verse 12

Those who hear God's Word but do not understand it. Then they forget about it and let themselves become interested in other things.

Thorny Ground

What happened to the seed that the Sower scattered?
verse 7

This ground is like this kind of people:
verse 14

Good Ground

What happened to the seed that the Sower scattered?
verse 8

This ground is like this kind of people: verse 15

240. Fill in the chart. What happened to the seed that the sower scattered on each type of ground?

241. When Jesus explained the parable of the Sower, what did he say the seed was? verse 11

242. In this parable, Jesus is saying that the different types of ground were like different types of people who hear the Word of God. Fill in the same chart about the different people and how they react to hearing the Word of God (I've done one as an example).

We want our minds to be like the good ground!

NOT hard like the pathway,

NOT shallow like the stony ground,

NOT full of worry about everyday things like the thorny ground....

But open and ready to receive God's words and think about it, letting it grow in our hearts and minds. It must grow in us a little every day as we learn to love God and obey Him. As seed is planted in the ground and grows, so God's Word is planted in our hearts and minds and grows and brings forth the fruit of good works that gives Him pleasure.

When we hear this parable, we can tell which kind of ground we should be. We must choose to obey God and respond faithfully to His word. It is easy to put off doing our Bible readings or our Sunday School homework. Let us decide to organize our week so that we will always put God first.

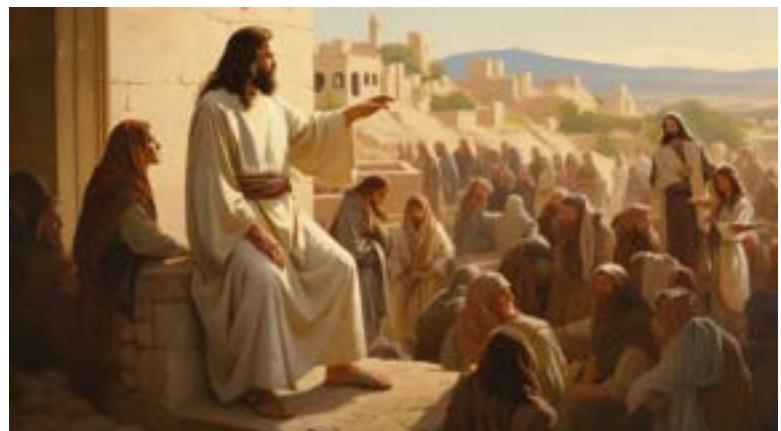

Let us have "ears to hear" and a willing heart to respond and do whatever God commands.

Read Luke 8v19-21.

After all these parables were spoken, Jesus' mother and brethren tried to get near to him, but could not because of the crowds.

243. Someone told Jesus, "your family want to see you and speak with you". What was Jesus' reply? verse 21

244. What do you think this means?

These words might seem harsh to Jesus' actual family, but their attitude towards Jesus had changed a lot in the last few months. His brothers followed him in his early ministry, but then became ashamed of him. They misunderstood his dedicated life and burning zeal, which caused constant conflict with the religious leaders.

245. What does Psalm 69v8 say about this?

At this time when the people's enthusiasm for Jesus was nearing its peak, his own brothers and family had lost their belief in him as the Christ.

246. What does John 7v5 say about this?

JESUS IS SAYING THAT OUR FLESHLY RELATIONSHIPS COUNT FOR NOTHING IF GOD'S WILL IS IGNORED. WE HAVE A GLORIOUS PRIVILEGE TO BE ABLE TO JOIN THE FAMILY OF GOD. AND CLAIM THE LORD JESUS AS OUR BROTHER.

Read Luke 8v22-25.

All day, Jesus had been sitting in a boat on the Sea of Galilee, speaking to the people, teaching them about God and His Kingdom. As he saw the evening coming on, he said to his disciples, "Let us go to the other side of the lake".

247. As they started sailing across the lake. What did Jesus do? verse 23

248. As Jesus slept in the boat, what happened? verse 23

249. Jesus slept through the storm! What did the disciples do when they were afraid of the storm?

250. What happened when Jesus spoke to the wind and the waves?

251. What did Jesus say to his disciples after he calmed the storm?

252. What did the disciples think of Jesus when he stilled the sea on the Sea of Galilee?

God created all things, and He controls even the strongest storm so that we should not be afraid. There are other problems and troubles to face in our lives that can seem just as frightening as real storms. If we remember this lesson, then we will remember to trust in God. If we believe in Him, He will protect us and help us in all our troubles.

About:

- A town located on a steep hill in the region of Decapolis, east of the Sea of Galilee.
- A Gentile hub
- Under Roman rule during Jesus' time, which meant it was subject to Roman laws and governance.
- The tombs in the hills near Gadara were caves or rock-cut burial chambers where Legion lived.

Read Luke 8v26-39.

Jesus had gained a large following from Decapolis, which was a Gentile hub. Upon arriving into the area, a man possessed by an unclean spirit immediately came up to them.

This man lived among the tombs, wore no clothes, and was so fierce that he could not be restrained, even with chains. He terrorized the village and no-one could calm him, yet somehow this man had heard of Jesus!

The man ran to Jesus and worshipped him.

"Come out of the man, thou unclean spirit" Jesus commanded!

253. What did the man then say to Jesus? verse 28

254. What else do we know about this man? See Mark 5v5.

255. What did the man say his name was? verse 30

When Jesus commanded the unclean spirits to come out of the man, they begged not to be sent into the abyss but to be allowed to enter a nearby herd of pigs. Jesus granted their request and the unclean spirits entered the pigs.

256. What happened to the herd of pigs? verse 33

257. The people who saw this happen, went and told others in the surrounding towns and countryside. When they came to see what had happened, how did they find Legion? verse 35

In bible times, people thought that sickness and suffering were caused by evil spirits called "unclean spirits" or "devils," rather than by medical reasons because they didn't fully understand what was wrong. We now understand these things as mental illnesses such as depression, schizophrenia, personality disorders.

258. How did the people react when they saw Legion in his right mind? verse 35

259. The people were very afraid. What did they tell Jesus to do? verse 37

260. Legion wanted to stay with Jesus and follow him, what did Jesus tell him to do instead? verse 39

261. Did Legion do this? verse 39

Legion listened to what Jesus wanted him to do! He went home and talked about God's love and kindness shown through Jesus, using his own changed life as an example. Then he went to nearby towns, stirring up interest in Jesus. When Jesus came back in Mark 7, many people were excited and ready to accept him.

CAPERNAUM

After the healing of Legion in Gadara, Jesus now crossed back over the Sea of Galilee and returned to Capernaum. The people of Capernaum were always very glad to see Jesus when he came to them. There was a great crowd to meet him and they all tried to get as close to him as possible.

There was a man who wanted to see Jesus more than anything! His name was Jairus. He was a ruler in the Synagogue, a very important man among the Jews.

Read Luke 8v41-42; 49-56.

262. Why was Jairus sad when he came to Jesus? verse 42

263. How old was his daughter? verse 42

264. What did Jairus ask Jesus to do? see Mark 5v23

As he started to walk to Jairus' house, the crowds pressed on him. People surrounded Jesus and he felt someone touch the hem of his garment! Jesus stops and asks "who touched me?" A woman came forward trembling and fell down before Jesus and told him that she wanted to be healed of her sickness, and when she touched his garments she was healed. Jesus said to her "daughter, be of good comfort: thy faith hath made thee whole; go in peace".

Someone from the ruler of the synagogue's house comes up to Jairus. What did he say to Jairus? verse 49

265. What did Jesus tell Jairus? verse 50

266. When Jesus came into Jairus' house what did he tell the weeping people about Jairus' daughter? verse 52

267. The crowd of weeping people did not believe Jesus. What did they do? verse 53

268. Jesus told them all to leave the house. He took Jairus' daughter by the hand. What did Jesus say to Jairus' daughter?

269. What happened to Jairus' daughter after Jesus said this?

270. How did the girls parents react?

Jesus had power from God to do wonderful miracles. He used that power to help those believed in him and had the proper faith. Soon Jesus will return to the earth to use that power again. Those who believe in him will be raised from the dead, and if found worthy, will be given eternal life.

GALILEE

Read Luke 9v1-6.

After the healing of Jairus' daughter, Jesus performed many more miracles in Capernaum. He then visits Nazareth again to give them their last chance at repentance. He then does a final preaching tour of Galilee before calling his twelve disciples together.

271. What did Jesus give his twelve disciples? verse 1

272. What did he send them out to do? verse 2

273. Read Matthew 10v5,6. Who were they to preach to?

274. What were they to bring on their journey? verse 3

Jesus sent his disciples out to gain experience. He wanted to prepare them for their future work after he had ascended into heaven. The disciples were paired up to bear witness, providing each other with companionship along the way.

275. Jesus told them, "If people don't welcome or listen to you, leave and move on. In the day of judgement, it will be worse for those cities who reject you than for the cities of Sodom and Gomorrah". What happened to the sinful cities of Sodom and Gomorrah? Look at Genesis 19v24.

Despite the sinfulness of Sodom and Gomorrah that led to their destruction, **a faithful few were saved.** Lot and his family obeyed God and stayed faithful. That's why Sodom and Gomorrah's judgment will be more bearable than that of these cities—because at least **some** listened, which is better than **none**.

276. What did the disciples then do? v6

277. Read Matthew 11v1. While the disciples were out preaching, what did Jesus continue to do?

Read Luke 9v10-17.

The Apostles return from their preaching trip and told Jesus all that they had done.

John was still in prison. However, at king Herod's birthday celebration he sadly agreed to have John killed. When John's disciples had buried their beloved teacher, they came and told Jesus. Saddened by the cruel death of his dear friend, cousin, and faithful prophet, Jesus and his disciples went far away by boat to the other side of the sea of Galilee. They wanted to have a little peace to reflect on the sad news of John's death and all the faithful work that he had done.

Without John, the people never would have been ready for Jesus, the Son of God.

The people heard where Jesus was going, so they followed him!

278. Read Matthew 14v14. How did Jesus feel when he saw that crowds of people had run around to the other side of the Lake to be with him?

It was a long way - 13kms/8 miles! The people got there first before Jesus and his disciples.

279. When the people came to Jesus, what did he do for the whole day?

280. It was late in the afternoon, and there was nothing to eat as they were in a remote place. Among the crowd of people, only a young lad had some food. What did he have?

281. How many people had to be fed? verse 14

282. What did Jesus tell the disciples to make the people do? verse 14

283. What did Jesus do before he shared the food with the people?

284. Was there enough food for all the 5,000 people?

285. How much food was gathered up after the people had finished eating?

286. God has given us “special” food to eat every day. What food is that.

Jesus cared for the people and not only taught them when he was tired, and sad, but also provided food for them.

We need food to keep us alive. The word of God and the teachings of Jesus are like food too. It will make us strong in faith and help us to put our trust in God if we are filling our minds with His word!

This week, when you thank God for your meals, thank Him for being able to read His word too!

AMAZING WORK. YOU'VE REACHED THE END OF THE WORKBOOK!

Let's quickly recap what we've learned...

When God created the earth, He had a wonderful plan in mind. He wanted the earth to be full of men and women who were **like Him**. People who **loved Him**. People who **loved His word**. People who **followed His ways**.

We have seen in this study, that **Jesus did this!** Jesus showed God's character (glory) to the world. He did God's works, spoke God's words and did God's will.

Jesus was patient, kind, humble, intelligent, calm, approachable, loving, zealous for the truth, and passionate.

When he was tempted - **he responded with God's words.**

When people hated him - **he was calm and rational.**

When he was sad, tired or hungry - **he prayed for strength.**

When his cousin and friend John was killed - **he showed patience with the people who followed and pressed on him.**

When his family was disappointed in him - **he did God's will.**

When sinners dined with him - **he showed love and understanding.**

One day, God Willing, very soon, all of the earth **WILL** be filled with the Glory of Yahweh. Filled with people who are like God, and are like Jesus. It's going to be amazing. Let's keep our vision of the kingdom clear.
