- AND**
- An individual project that will be turned into your counsellor with your workbook so that it can be displayed in the main hall.

Please choose one (1) project from the list below

FINISHING this workbook is REQUIRED in order to attend Kids Camp, but HOW MUCH YOU LEARN from your study IS UP TO YOU!

Here's what you'll need to complete this workbook:

- King James Version Wide-Margin Bible.
- Bible Dictionary
- Enhanced Strong's Concordance →
- Bible Atlas

(a **King James Version** is mandatory, because all questions come from it, although additional versions can be helpful)

Other resources that may come in useful:

- Story of the Bible Vol. 4
- Josiah and his children by Bro Stephen Palmer
- The Kings of Israel and Judah Study Notes by Bro Jim Cowie pg 349-376.

An **Enhanced Strong's Concordance** will help you with the meaning of names, when sometimes other concordances will just tell you who a person was, or where a city was, without giving the definition of the name of the person or city.

Before we begin....

FIRST, PLAN YOUR COURSE!

- 
 - You should be able to complete the workbook with time to spare by working on it just a bit each day.
 - Count the number of days from now until the week before camp.
 - Now, divide that by the number of pages of work in your book. That is the minimum number of pages you need to do per day!

NOW SET YOUR GOALS

- Use the goal chart on the next page to help you stay on track. Fill in the chart using the guidelines above to help you set a weekly goal for how much you need and want to accomplish.
 - Review your goals with your parents at the beginning and end of each week.

HERE ARE SOME HELPFUL HINTS

- 
 - Don't forget to pray to God before you begin. Ask Him to help you understand His word, and He will.
 - Use a PENCIL so that it is easier to correct mistakes.
 - Read, Re-read & ask questions so that you understand what you are studying.
 - Read everything in the workbook. MANY times there is information given to you in the workbook, and then a question is asked about that information. Questions will be easier to answer if you have read the information given to you throughout the book.
 - If you get stuck on a question, put a star (*) next to it and move on. When you have completed the section, go back and try again. You can always ask someone if you get stuck.

Intermediate Project

All Kid's Campers are required to complete a special project about their studies before arriving at Camp. It will be presented to your counsellors and your group, and then displayed in the Main Hall during the week.

Please choose one (1) project from the list below.

Make a story book: Create a short illustrated picture book about an event in Josiah's life. You can include colouring pages, dot-to-dots, word searches, etc. Each page must be about a part of Josiah's life, or people and prophets that influenced him. Include at least 10 pages of fun.

Make a diary: You are Josiah. Record Josiah's diary entries at the end of each day following the events you studied. Explain how Josiah would have felt after each event. Make at least 8 entries in your diary. Here are a few suggestions:

- Josiah is made the King at age 8! He is now the leader of a nation.
- The book of the Law has been found while they were repairing the temple!
- God tells Josiah that no matter what he does, He will still bring judgement on the people. But Josiah keeps purging and cleansing the land.

Create a timeline: Make a timeline of Josiah's life and include the kings of Israel and Judah and any prophets around that time.

Dear Kids Camper,

It is great that you are planning on coming to Kids Camp California, God willing. Whether this is your first year or you are a regular, we hope you have a fantastic time.

This is the story of a man just like us, who lived at a time when most of the people around him were faithless, and yet he was a man of great faith! We hope that by coming to know Josiah, you too will want to have the kind of faith that he did.

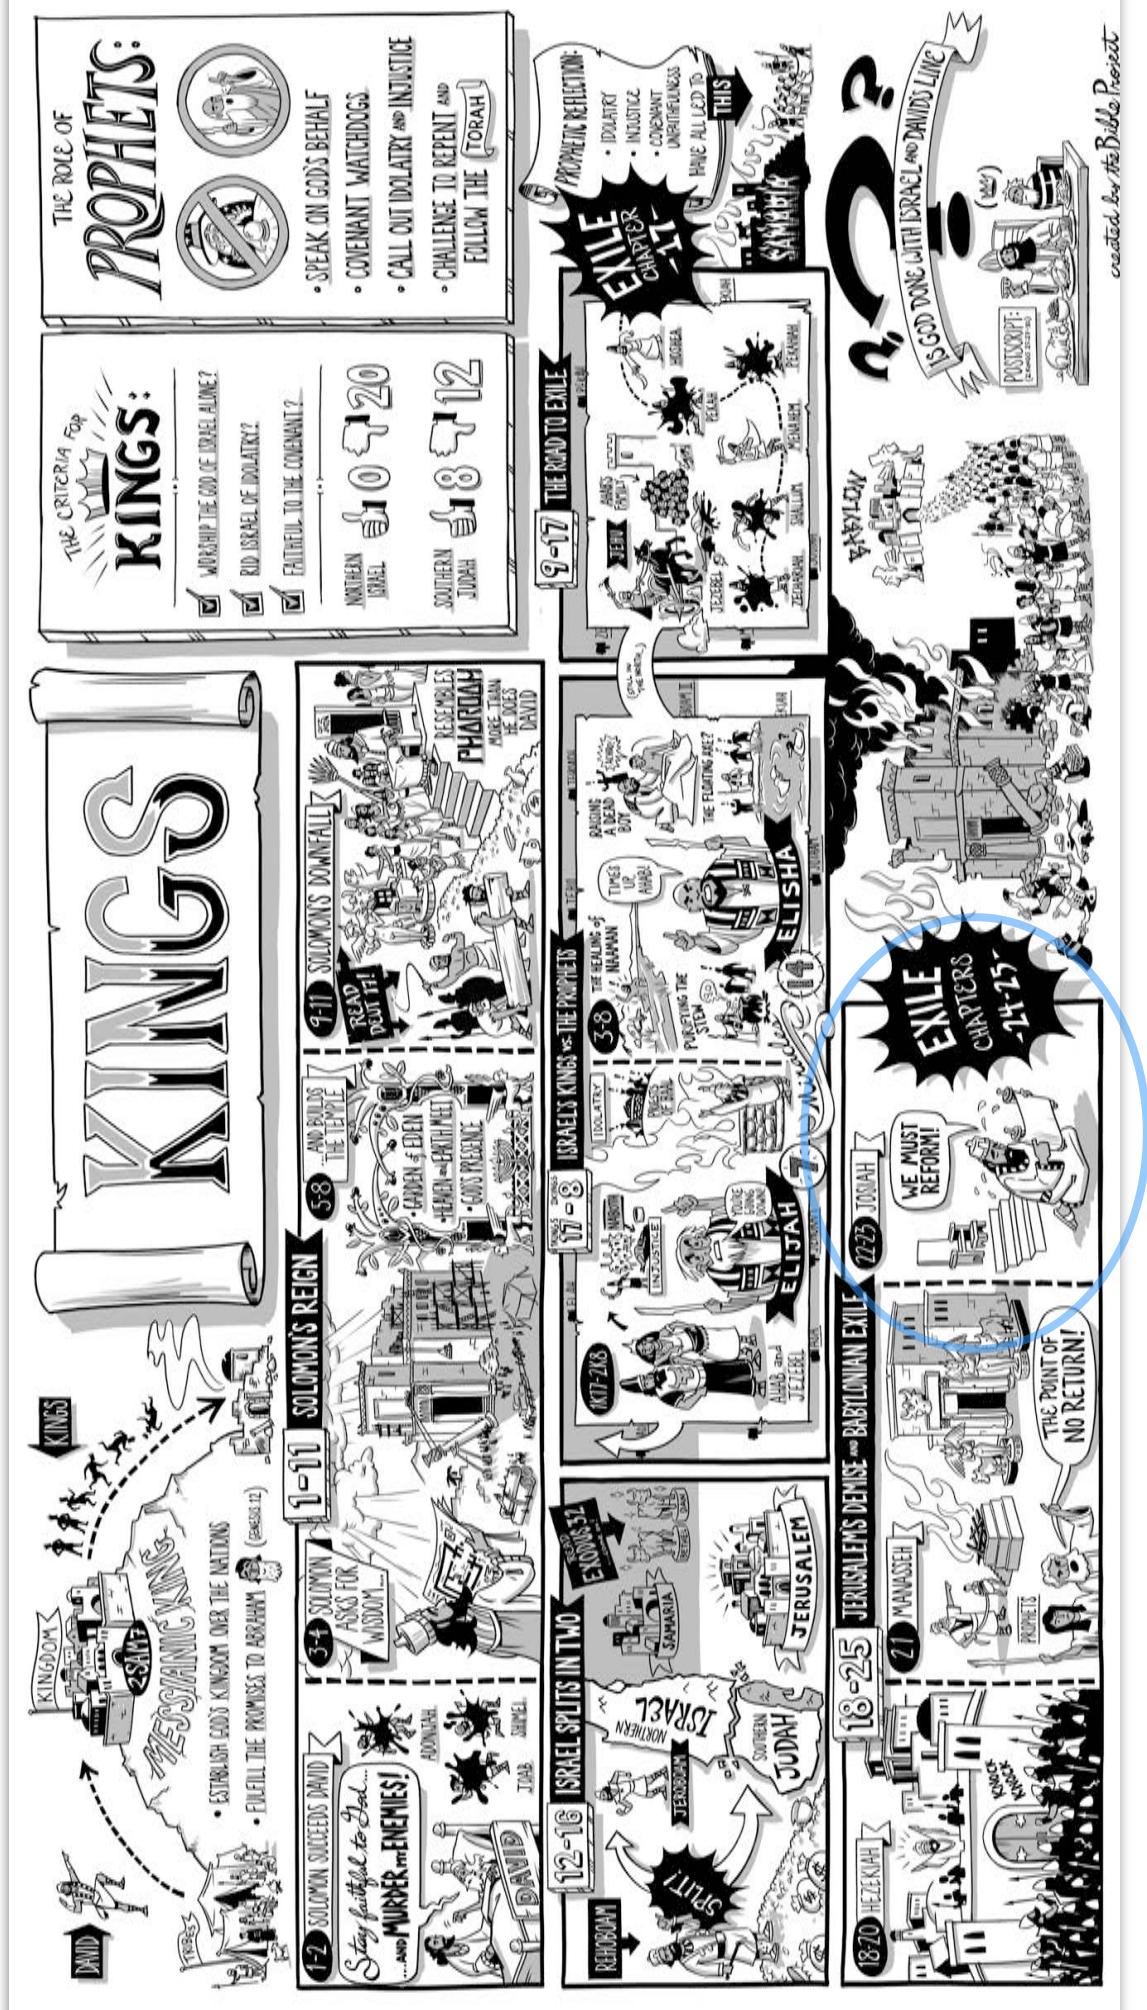

If you have any questions about the workbook or any of the projects, please don't hesitate to call or email us:

132. Fill in the chart below describing the details given about the two "purges":

First Purge: 2 Chron 34v3-5	Second Purge: 2 Kings 23v4-14

133. Josiah had already purged the land and the house. Why do you think false worship and idols were allowed back into the land and the house of God?

134. These things were all going on in God's house! Find another scenario in the Bible where the Temple of God had been made corrupt. Hint: think during the time of Christ

135. What were the "high places" and why is Josiah so determined to get rid of them?

136. Josiah had destroyed many altars, idols, and other means of false worship that had been made by the people or left by the Kings before him. What does this tell us about Josiah's faith and courage? See 2 Kings 23v25

137. An idol is finding security and meaning in something or someone other than God. From Josiah's example, if we have an idol in our life- what should we do with it?

138. Where does idolatry start from? See Ezekiel 14v3

139. What do the following verses say about idolatry?

a. 1 Corinthians 10v14: _____

b. Colossians 3v5: _____

c. Leviticus 19v4: _____

140. Read James 1v22-23. How do these words relate to Josiah and his actions?

141.What lessons can we learn from these words of James?

The Great Passover

Read: (2 Kings 23v21-23; 2 Chronicles 35v1-19)

Now this was the time of the year when the Passover was to be celebrated. Josiah told all the people, "**KEEP THE PASSOVER** to the LORD your God, **AS IT IS WRITTEN** in this Book of the Covenant."

Such a Passover had not been held for a very long time. The king and all the people celebrated this season with **GREAT JOY** and **THANKFULNESS**.

142. On what day of the month did Josiah keep the Passover?

143. Was this the proper timing to keep the Passover? (See Leviticus 23v5)

144. What was the first thing that Josiah did on the Passover?

145. Josiah encouraged the priests to the service. How can you encourage others in the things of the Truth? (see Heb 10v24).

146. Where in the Bible is the first Passover recorded?

147. List some key components of the Passover?

148. Josiah gave very specific instructions to the Levites. List the details of these duties (2 Chronicles 35v3-6).

149.The Levites had to prepare and sanctify themselves before they could help others. What is the lesson in that for us? (Matthew 7v5)

150.Josiah was extremely generous. How many lambs, kids and bullocks did he provide for the Passover?

151.Because of Josiah's generous example, the princes and chiefs also provided animals for the Passover. In total, how many animals were donated?

152.Give an example from your life where someone else "copied" you in a good way.

153.In v11 the blood of the offering was sprinkled, the flesh flayed (skin stripped off) and the whole animal had to be burnt. What type of offering was this? i.e. sin offering, peace offering, burnt offering, meal offering.

154.What do you think the main principle for us is from the burnt offering (see Deuteronomy 6v5).

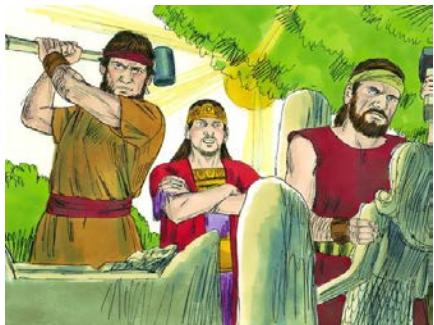

155.Who were the sons of Asaph?

156. Priests, Levites, singers, porters- it seems that everyone had a role to play in the Passover. How is this similar to ecclesial life today?

157. How long did the celebrations of the Passover last?

158. Why do you think other kings before Josiah had not kept the Passover?

The Third Purge

Read: (2 Kings 23v24-27)

There were **SO MANY IDOLS** in the land!
Josiah **CLEANSSES** the land a **THIRD TIME!**
This gives you an idea of the type of place the nation had become under the rule of the evil kings before Josiah.

159. Josiah purged the land a third time. In v24, what things did he get rid of?

160. Josiah did all these things because it was written in the book of the law that they found. What does Deuteronomy 18v9-12 tell us about this?

161. Josiah was the only King that trusted in God with his whole heart. What does Deuteronomy 4v29 say about trusting in God?

162. Josiah had done exactly as God had required, but it didn't change what God was going to do to the nation. What is the lesson for us in this?

Josiah's Death

Read: (2 Kings 23v28-30; 2 Chronicles 35v20-27)

Josiah was wounded in battle, and brought back to Jerusalem. He died there, and was deeply **MOURNED** by everyone- including the prophet Jeremiah.

Josiah was a very **SPECIAL** King- he **TURNED TO GOD** with all his heart, soul and with all his might. No king was like him afterward. He worked hard to bring his people **BACK TO GOD!**

163. Why do you think it mentions the "preparing of the temple" in the context of Josiah's death? (2 Chronicles 35v20)

164. Why was the King of Egypt going to Carchemish?

165. Who was he fighting against?

166. Why do you think Josiah went out against the King of Egypt?

167. In 2 Chronicles 35v21, do you think Pharaoh- Necho was telling the truth?

168. Why didn't Josiah listen to him? (see 2 Kings 18v25)

169. Why do you think Josiah disguised himself in battle?

170.What is the name of the valley where Josiah died?

171.What prophet mourned for Josiah? (2 Chronicles 35v25)

172.In your own words, what kind of King do you think Josiah was?

173.If you lived in the time of Josiah, how would you have felt when you heard the news of Josiah's death?

174.Who became King in Josiah's place?

175.Did this new King follow after the example of Josiah and serve God?

176.In 2 Chronicles 35v26, it says that Josiah showed "goodness" in his life. Read Exodus 34v5-6 and see who else had this characteristic.

The end of the Kingdom

Read: (2 Chronicles 36v1-23; Ezekiel 21v24-27)

After Josiah's death, another King took the throne. There were 4 more Kings after Josiah - but **NONE OF THEM** were like Josiah who was **FAITHFUL TO GOD** until the end.

The people soon turned back to worshipping **FALSE GODS**, and all of Josiah's work in trying to get the people to **REPENT** was **UNDONE**.

177. 2 Chronicles 36 describes the rest of the Kings that followed Josiah, and whether they were good or bad. Fill in the chart below:

Name of King	Other name(s)	Relationship to Josiah	Length of Reign	Good or Evil King

Zedekiah		Third son of Josiah		

178. Why do you think none of these last 4 kings were faithful?

179. Josiah was a faithful King, why did this have no impact on his sons and grandsons?

180. How long was the captivity to be?

181. List some significant people taken to Babylon?

182. Based on the words in Ezekiel 21v24-27, who was to be the next king after Zedekiah?

183. Is he on the throne now?

184. How do the following verses describe this new King?

a. Isaiah 9v6,7: _____

b. Jeremiah 23v5,6: _____

c. Zechariah 9v9: _____

Josiah as a Type of Christ

Josiah was 39 years old when he died. During this short time he **DEDICATED** his life to **SERVING** our Heavenly Father, just **LIKE** our Lord Jesus **CHRIST DID.**

The Revealed Son

Read: (Zechariah 12)

Zechariah Chapter 12-14 is the final section of the prophecy of Zechariah and talks about the “**DAY OF YAHWEH**” in which God **JUDGES** both **JEWS** and **GENTILES** at Armageddon. The Day of Yahweh is not the return of Christ, but a day of Judgement.

A Pure Language

Read: (Zephaniah 3)

In this final chapter of Zephaniah, he talks about how God would bring Judgement upon Jerusalem for being rebellious and for ignoring all the blessings that God had given the people. Our **GOD** is so **MERCIFUL**, that verses 9-20 of this chapter talk about all the **BLESSINGS** that God will bring upon all the people that **LOVE** and **OBEY** Him- in that day the earth will be filled with **HIS GLORY**.

195. In Verse 2, what are the 4 things that the people did not do?

196. What does James 4v8 say about drawing near to God?

206. What does it mean to serve God with one consent? (Hint: use a concordance to find out the meaning).

- Territory taxed under Josiah

- Maximum possible area of influence

Archaeological surveys show that a fortress was built and destroyed during the reign of Josiah. It cannot be determined whether the fortress was Egyptian, or Judean.

Shrines of the high places removed from the cities of Samaria, with the false priests of the Northern Kingdom treated more severely than those in Judah—most were executed and their bones burned on their former altars.

The altar at Bethel was pulled down, burned and reduced to dust. The Asherah was also burned and the bones of those buried there burned on the altar (2 Ki 23:15-19).

Josiah purges Judah and Jerusalem of the high places (2 Ch 34:3). Priests of Baal and Asherah were executed and burnt on their altars. Priests who offered sacrifices to God on the high places were deposed, but not executed. They were permitted to worship in the temple and fellowship with the other priests, but forbidden from ever offering sacrifices and carrying out the public duties of a priest again (2 Ki 23:9).

Ashdod conquered by Egypt with the rest of Philistia submitting to their influence & becoming allies.

Priests removed from cities and high places defiled from Gaba to Beersheba (2 Ki 23:8).

Archeological surveys show a decline in use of stars, sun and moon as artistic motifs on seals in Judah during this period.

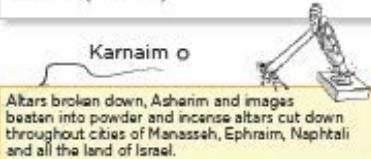

Egypt

Archeological surveys appear to indicate Kedesh was a fortress under Egyptian control

Phoenicia comes under Egyptian control as Assyria withdraws

The collapse of Assyrian power created a power vacuum in the provinces comprising the former territories of Israel. Many Bible atlases and commentaries suggest Josiah expanded his Kingdom into most of this area, potentially via conquest. The more likely scenario is a limited expansion of Judah's borders into the hill country of Ephraim, with Josiah exerting a level of religious influence and varying degrees of control over the remnant Jewish populations throughout Israel. Egypt continued to claim formal authority over the region and asserted military control over key trade routes perhaps with some competition from Josiah in certain places leading to the clash at Megiddo. There are some archeological and scriptural indications that prior to this Josiah may have even collected taxes (2 Ch 34:9), perhaps with the consent of, and nominally on behalf of Egypt. Later this was increased (2 Ch 36:3).

Altars broken down, Asherah and images beaten into powder and incense altars cut down throughout cities of Manasseh, Ephraim, Naphtali and all the land of Israel.

G I L E A D

Josiah removes abominations from all the ruined cities of Manasseh, Ephraim, Simeon & the territory of Israel (2 Ch 34:33). This may have included Gilad if Josiah's actions in the cities of Manasseh includes East Manasseh.

TEMPLE REFORMS

The Asherah removed from the Temple & beaten to dust by the brook Kidron. The houses of the cult prostitutes torn down. The vessels of Baal removed from the temple and burned in fields of Kidron. The horses and chariots dedicated to the sun removed from the temple, with the chariots burnt (2 Ki 23:4-11). Later, the Ark of the Covenant was restored to the temple, new priests (individuals not associated with false worship) were appointed to office, with the divisions of service restored according to the system established by David.

Broke down the high places of the gates at the entrance of the gate of Joshua the city governor (2 Ki 23:8).

Removed the altars from the roof of the palace (2 Ki 23:12)

Defiled the high places of Ashteroth, Chemosh and Milcom, breaking down the pillars and cutting down the Asherim, filling their places with bones (2 Ki 23:13-14).
